The club newsletter is a monthly publication designed to keep members informed on the activities of the club and other functions. Opinions and views expressed in the newsletter are not necessarily those of the publishers.

Hi Folks

Thanks to everyone who personally welcomed me back as Newsletter Editor. I truly appreciate your words of encouragement.

Welcome aboard to our new Club Members. I look forward to meeting up with you in the near future. I often walk about the club venue in a daze, so please give me a Hi Les! I'd love to have a chat and give you some space in our newsletter.

I hope I don't annoy everyone by continually harping on about our young up and coming Country Artists but please give your full support to our next **Talent Quest on Saturday 27th August.**

By attending this event, you are playing an important part in changing someone's life.

We wish to attract artists from afar and offer not just prizes, but a **successful future.**

Our young and not so young artists deserve recognition for their efforts, dedication and talent.

Our club is attracting good crowds and the atmosphere is really buzzing. A special word of thanks to all of our Club Members old and new. It's an absolute pleasure to see you smiling and enjoying yourselves.

To the Committee and the Newsletter Folding Team, thank you for taking the time to fold and sticky tape our newsletters.

And thanks to those who take the time to have a browse through the pages... You are all welcome to submit articles, information and stories. I'd truly like you to make this **YOURE** newsletter.

Finally! Life would not be the same without **Ma's Kitchen.**

....We thank you for the food we are about to receive...

President's Report

March 2011

G'Day Members and Friends,

What a great afternoon we had with the **City Cow boys**. The volume started off a bit loud but with a minor adjustment everyone was happy. Well the boys didn't let us down they played some great music all afternoon to another large crowd.

Amber Joy Poulton joined the band on stage and boy didn't she do a great job with a good mix of song's.

Well done guys for a great day.

Before I move onto our April Show I would like to thank those people who supported my daughter and family in the Worlds Greatest Shave. **Fiona & Anthony** dyed their hair while **Michael & Matthew** Shaved. They raised \$565.05, for the **Leukemia Foundation,**

Once again **THANK YOU.**

Well our **April** show will be another great day and I would suggest you get there early. We have **Kindred Spirit** with **special guest Norma O'Hara Murphy.** This is a show not to be missed. So come along and enjoy the day. See you then.

Keep it country
