

That Woz the Day That Woz!

20th March 2011

The City Cowboys put on a great show with most songs following a true **Country Music** repertoire. Public demand was for a few rock & Roll numbers towards the end of the show. Possibly not to everyone's taste, but the dance floor was full from start to finish. Starting with **Sea of Heartbreak**, and progressing through **My Shoes Keep Walking Back to Me**, **Act Naturally...onto Cottonfields** and **Let Me Be There...**Their harmonies are tremendous. The four guys have developed into a great **Country Band**...Their song list also included **Good Hearted Woman**...

Well! What better **Good Hearted Woman** could one have appearing on stage than **Amber Joy Poulton!** Her song **Good Old Fashioned Days** brought the house down. A wonderful song written by **Amber**, and then re-written by her **Dad**. Amber proudly admits that there were at least two words...**Thistle** and **Whistle**... that were not deleted from her original lyrics. Well done Dad! **Amber** sang a mix of old and new songs including **Loretta Lyn's** first recording **Honky Tonk Girl**.

Amber revealed that she is currently working on her new album **Honky Tonk Queens**...Coming soon.

Brian's Brainy Puns

The fattest knight at King Arthur's round table was Sir Conference. He acquired *his size from too much pi*. She was only a whiskey maker, but he loved her *still*. No matter how much you push the envelope, it'll *still be stationery*.

A dog gave birth to puppies near the road and was *cited for littering*.

A grenade thrown into a kitchen in France would result in *Linoleum Blownapart*.

Two silk worms had a race. They *ended up in a tie*.

A hole has been found in the nudist camp wall. The police are *looking into it*.

Time flies like an arrow. *Fruit flies like a banana*.

Atheism is a *non-prophet organization*.

Two hats were hanging on a hat rack in the hallway. One hat said to the other, *"You stay here; I'll go on a head."* I wondered why the baseball kept getting bigger. *Then it hit me*.

A sign on the lawn at a drug rehab centre said: *'Keep off the Grass.'*

The midget fortune-teller who escaped from prison was a *small medium at large*.

The soldier who survived mustard gas and pepper spray is now a *seasoned veteran*.

A backward poet *writes inverse*.

In a democracy it's your vote that counts. In feudalism *it's your count that votes*.

When cannibals ate a missionary, they *got a taste of religion*.

If you jumped off the bridge in Paris, *you'd be in Seine*.

A vulture boards an airplane, carrying two dead raccoons. The stewardess looks at him and says, "I'm sorry, sir, *only one carrion per passenger*."

Two hydrogen atoms meet. One says, "I've lost my electron." The other says, "Are you sure?" The first replies, *"Yes, I'm positive."*
