A Hootin' Tootin' Saturday Afternoon

Hi Folks

Please come along to our special 'Country Round-Up' Saturday April 14th 12noon to 4.00pm.

The large number of special artists have gone to great lengths to prepare a repertoire of great songs for dancing and having an enjoyable time.

The emphasis is on a **Country Party atmosphere** so please put on your dancing shoes and wear your Allington's Country Music gear.

This is not a talent contest, it is a full blown event for Country Fans, Line Dancers, Smoochers and anyone who loves to enjoy themselves on a **Saturday afternoon**.

The Band on the day is **Kindred Spirit**. The excellent artists are...

- Derani Sanders
- Tanya Cornish
- Nathan Bruhn,
- Breanna Lee Kinlough
- Michael Micalif
- James Cruz
- Shayanne Johnson
- Phill Dunning

For good fun, great variety and a hootin' tootin' Saturday afternoon...

March 2012

G'Day Members & Friends

Show number 3 for this year completed, and what a good show it was. The **City Cowboys** were very good on the day. They told me they always have a list of songs to play but never get around to playing them all. Well done guys.

Moving on... We had flyers on the tables promoting the **Music Workshop** holding a fund-raiser show to be held at the **Elizabeth RSL** on the **29th April**. This was mistaken for us moving out of the bowling club which is **NOT TRUE**. The show is for the **Music Workshop** only.

Everyone is welcome it is a once only fund raiser, so come along and join us.

Well moving on to our April show. This also will be great action packed **Country Music Dance Attraction** spread over two days with many previous **Talent Quest Winners** on the Saturday with **Kindred Spirit** backing, and then again on Sunday with **Stephen R Cheney** as our special guest artist.

This will be another great weekend of country music. So come along and support your club and special guests for the weekend.

Thanks members of **Kindred Spirit** for helping out. Hope to see you there.

Until then. Keep It Country
Regards to all
