### Hi Folks

Time slips by and 1<sup>st</sup> April 2013 has arrived. Hopefully there won't be any unlucky April Fool incidents.

While on the subject of unlucky 13....

Did you know...?

- In Christianity, the Last Supper had **thirteen** attendants, during which Jesus Christ revealed that one of the guests would betray him. As a result of this betrayal by Judas, the number 13 has maintained a bad reputation and has a superstitious characteristic in Christian culture.
- In Norse lore, a banquet of twelve deities was interrupted by the evil god Loki, making **thirteen** the number of gods present when the nigh-immortal god Balder was killed by an arrow made from mistletoe
- Thirteen** is the number of circles used in Kaballah's Metatron's Cube. It represents magic, alchemy, and ascension. It is said the 13 circles represent the 13 systems of knowledge. This glyph was typically used as a protector against demons and evil much as a pentagram or pentacle is.
- In Meso-American divination, a trecena is a **13-day period** used in pre-Columbian Meso-American calendars to mark the occurrence of important cycles of fortune/misfortune.
- The ancient Persians, assigning the twelve constellations of the Zodiac to the months of the year, believed that each sign ruled over Earth for a millennium. After the passing of this **thirteenth** era, chaos would ensue.

## President's Report

March 2013

G'Day Members and Friends.

Well what a great show we had for this month.

It was the last show for **Kindred Spirit**, as some of the band members want to take a break. But having said that, it would have been one of the best show's we have had with this band.

Well done Guys and Ladies. We had another great crowd again all ready to have a good time and were not disappointed.

Well onto our April show. We have **Murray Mac & True Grit**. We haven't had Murray for a couple of years. The show is topped up with **Billy Dee**.

We are about to launch our **2013 Talent Quest** and are looking for sponsors. So if you know of anyone who would like to help please let me know.

So until our April show have a great Easter and driver safely.

Keep It Country
