Cold Cold Co.o.o.ld

As the days become colder and our heaters are turned up to full blast, the increase in consumption of kilowatts and megawatts of energy is soaking up our piggy bank resources...That are if you are fortunate enough to own a piggy bank!

Is the investment in solar energy panels as efficient as made out to be? Let us know of your experiences... I'm sure our club members would like to hear your heart-warming feedback.

Talent Quest time is now hotting up, 'be good' and provide us with your support. We'll have the home fires roasting for you.

Thanks to our current **Talent Quest Sponsors**. Every dollar assists our club to provide opportunity and assistance to our Country Music artists.

We look forward to Wally Sparrow and Sarah Tomlinson coming along to our special **Saturday Morning Talent Quest event**. Come along and say *hello*. They'll be pleased to meet up with you.

Hopefully 2011/2012 will see a surge in the Country Music Industry in Australia and in particular in our own South Australia.

For progress to be made, people must take action. Things won't just *happen!*

We need people with initiative and passion.

*Could that be YOU!
If so give us a call*

President's Report

July 2011

G'Day Members and Friends,

Another month has quietly slipped by and hasn't it been bitterly cold? Long Johns, beanie's, thick sox and thick clothing are at the top of my warm list.

Well the weather didn't stop our members and friends turning out with another good crowd. **Bill Bedford** played some great old and new songs which had the dance floor busy. Thanks Bill for a good afternoon.

Well we were told on Sunday that our great caterers are packing up and moving on. They are taking a short holiday and relocating to a new venue.

On behalf our club and our members we wish them well.

DONT PANIC Helen and I have made arrangements with a new caterer to come on board for a couple of months with a good menu for our members.

Well onto August we have **Urban Sound** with **Angela Eason** and her **CD release**. We will also be holding our **AGM** at 10am prior to the start of the show.

Nomination forms are available. Give it some thought and nominate someone or even yourself to come on the committee. Another good show lined up. We will also have our **Talent Quest** the week after our club show. You must come along and support our local talent. So until then.

Keep it country

Cont. From Page 7

I was honoured that Billy asked me to perform on this show. Not only to share the stage with some amazing and legendary performers but to be supporting such a worthy cause".

After Nashville the troupe headed back to Texas and spent time in Austin and San Antonio and performed at the Longhorn Saloon in Bandera, Texas, sharing the bill with **Gene Watson, Moe Bandy and T. G. Shepard**.

The tour finished up with a sold out final show at the Trail Dust Steakhouse back in Aubrey, Texas We've posted lots of pictures and a slide show up on our Facebook Fanpage (www.facebook.com/pages/Doug-Bruce-The-Tailgaters/120769627983053) for those who want to check those out...We had a ball and I think it shows!

Cheers Doug Bruce
