

# That Woz the Day That Woz!

July 2011

**The Country Music Workshop Getaway** weekend 8th to 10<sup>th</sup> July at **Point Turton** was contrasted by cold damp weather, dark clouds in the sky, sporadic wintry showers and the warmth of the reverse cycle air conditioning, the friendliness of staff and the warmth of the musicians and friends.

Well done to **Fred and Brian** for organising and coordinating the weekend.

Thanks must go to **Carlene** for devoting all of her time to make sure everyone was catered for. Tucking everyone into bed with a 'nite nite' was appreciated by all.

**The Sizzlers** also did a great job of feeding the troops.

**Workshops on Rhythm, Harmonica and Harmony** were available to those

who were keen enough to develop their skills while braving the cold air under the pergola. **The Harmony workshop** appeared to be the most popular with singers and non-singers all taking part in the humorous approach of Brian Moore. (He is Awful!)

The Jam Session on Saturday evening was a great success. Unfortunately the area allocated (Laundry) was somewhat cramped and several crew decided to retire to the comfort of their own cosy cabin.

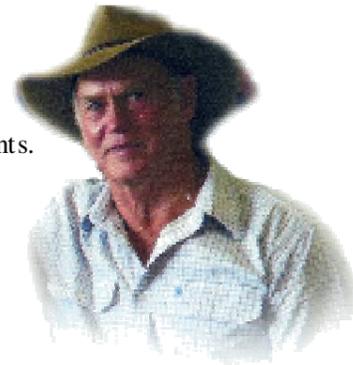

The atmosphere was lively and happy and the next Country Getaway will no doubt attract additional interest...and hopefully warmer weather.

By all accounts **Amber and Sandra** were true crowd pleasers at the Saturday evening show. The band on the day also received many words of praise from those who attended.

**The Bill Bedfors** show on Sunday was well attended by **true blue Country Music enthusiasts**. Bill played a mix of music for all tastes, with good feedback from listeners.

We look forward to meeting up with new club members over the next few months. Our club has loads of goodies lined up for future events.

Invite your friends and family along for something new and **Country Music** may become their passion.

## BLUE DOG CLOTHING

We've got the Butts of Australia covered!

Thanks Blue Dog for Sponsoring Gawler Country Music Club
