## Aunty Kay's Question Time

Q How many of each animal species did Moses take with him onto the Ark?

\*See answer at foot of this column

## Just a Thought From Bill Northcott!

Bill says... The secret of success is getting ahead.... But not a big one!

Keeping it in the family, new Gawler Country Music Club members Pat and Phil from Hamley Bridge are as alike as 2 P's in a pod coz they both luv Country Music.

Fans of Troy Cassar-Daley and the Costa Brothers they have become more involved in music than they had anticipated.

You see, a young lad by the name of Jake has appeared on the scene, and young Jake just loves to play drums... loudly!

However, not everyone shares his passion. Jake explained that his two brothers Luke and Brodie had trashed his drum kit.

The plot deepens. Jake. You see... can blame a number of people for his enthusiastic drumming.

Firstly, Committee member Terry has provided drumming lessons to Jake at the Gawler Country Music Workshop. So it is Terry's fault that people are kept awake at night by Jake's Boob Boom Boom!

But who is really to blame for all of this?

The gentleman whose picture is at the top of this column must accept full responsibility!

Why? Because Bill is Jake's Great Granddad!

And if it wasn't for Bill..... Jake wouldn't be here to upset everyone with his loud noise. Boom Boom!

Jake Says, 'All I want for Christmas is a New Drum kit!'

\* Aunty Kay's Answer None. It was Noah's Ark.
