## The Apprentice's French Toast

**Ingredients:** 4 eggs  
1 teaspoon sugar, optional  
dash salt  
1 cup milk  
10 to 12 slices white bread  
butter  
maple syrup or other syrup

### Preparation:

Break eggs into a wide, shallow bowl or pie plate;  
Beat lightly with a fork. Stir in sugar, salt, and milk.

Over medium-low heat, heat griddle or skillet coated with a thin layer of butter or margarine.

Place the bread slices, one at a time, into the bowl or plate, letting slices soak up egg mixture for a few seconds, then carefully turn to coat the other side.

Soak/coat only as many slices as you will be cooking at one time. Transfer bread slices to griddle or skillet, heating slowly until bottom is golden brown. Turn and brown the other side.

Serve French toast hot with butter and syrup.

I'm learning!

Are you?

## President's Report

July 20 2012

G'Day Members & Friends

What a great weekend with **Craig Giles**. We started off Saturday night with an eager crowd ready to rock n roll. Craig didn't disappoint anyone. A big thank you to the **Rock N Roll Clubs** that have supported these shows. Our great band was put together by **Anthony Stewart**. Thanks Anthony for your great effort and support.

Then on Sunday we had **Bernie & The Bandit** also with **Craig Giles** as our guest artist. Another great crowd. Thank you to all.

Our August show will kick off at **10am sharp** with our **A G M**. We would love to see some new faces on the committee with some new ideas. Give it some thought. I will be standing again this year for the Presidents Job and if elected it will be my 16th year on the committee and my 11th as president.

The Band for our August show will be **Midnight Special** with **David Pearce** as guest artist.

**Until then. Keep It Country**
