Hi Folks

The cold wet weather is now upon us and a plate of hot morning porridge has become the norm for our family breakfast.

I urge all club members to support our **Talent Quest** this year. We continually need new talent and our clubs aims to provide good quality entertainment well into the future.

Our Gawler CMC A G M takes place at 10am on Sunday 18th August prior to our club show.

We would appreciate your attendance as there are very important issues to discuss which could change the whole structure of our Club and its future direction. It's not too much to ask for you to attend as it's **your choices and your votes** that will shape the future of **Country Music in South Australia.**

Yes we know its cold wet and windy; and we're not keen on jumping out of bed from the warmth, into the cold morning air.

However, there is a solution!

It's that plate of hot morning porridge!

It works wonders!

If you love your Country Music and Love your Morning Porridge, you're on the right track.

Thanks again to those who contribute to our newsletter and those who take the time to put it all together for **mail** out. I bet they have their morning porridge!

President's Report July 2013

G'day Members & Friends

What a great weekend we had with **Craig Giles**. The Saturday night Rock N Roll was excellent. We could have done with a few more people through the door, but still a good night.

Then our Sunday show with **Bernie and the Bandits** with **Craig Giles**. This was our biggest crowd for the year. All in all it was a great weekend.

Our August show is set to be another good day with **The Black Hats** and **Trev Warner**. Don't forget our AGM will be at 10 am prior to our club show.

We also have our **Talent Quest on the 10th August** so come along and support our local Talent. We are also working with **Amber Joy Poulton and the Elizabeth R S L on the 31st** with a blast from the past. Tickets are available from the club. So as you can see August is another busy time for our club. Until next month.
