### Hi Folks

## A Natural Cure

There was once a fungal follicle  
Which arrived on Fred Payne's head  
He was about to try home surgery  
But went to his doc instead

Doc said 'My oh My!  
What do we have here?'  
It is a nasty dry looking thing  
Try washing it with beer

So off Fred went to the liquor store  
To purchase a slab of Draft  
He poured it over his head  
...Feeling a bit daft

The fungal follicle remained  
But now in more prominent view  
Fred went back to his doc  
Doc said 'Try a different brew!'

So Fred returned to the liquor store  
And waited in the queue  
The liquor store assistant advised  
... 'Maybe this will do!'

The blend of Irish whisky  
... Expensive it may be  
But it might just fix the fungal follicle  
...We shall wait and see

So home Fred went with his whisky  
Poured it... like champagne  
In walks wife Helen and she shouts...  
'You're on the booze again!'

She bashes him on the bonce  
And lo and behold  
Out popped the fungal follicle  
And Fred was good as gold

If you ever have a fungal follicle  
Save yourself some time  
Go straight to the Misses  
And show her this short rhyme.

## Chelsea Basham The Sound of Young Country

It's likely to be young country artists such as **Chelsea Basham** to reshape and re-create a new phase of country music to attract a wider audience to Country Music in Australia.

Here new song is country music with vitality, spirit, and a rock'n beat.

Wongan Hills singer-songwriter **Chelsea Basham** ran down the street screaming with delight when she found out her song **Laugh it Off** had hit number one on the Australian country music charts.

**Chelsea** said she found out about her success when she was standing in her mother Sharon's shop helping her price coffee mugs when she heard an email come through on her phone.

"I looked at the subject title, 'CMC Top 50 Countdown' and my heart stopped for a split second as I opened the email and there it was - 'No. 1 Chelsea Basham - Laugh it Off!'"

"I screamed, then told mum and she screamed, then we ran down the main street of my hometown **Wongan Hills** screaming with delight.

"People were coming out of their shops asking if we had won the lottery - 'Even better' was my reply.

"After telling Dad and having a coffee and cake to celebrate, reality hit and I remembered that those coffee cups weren't going to price themselves.

"(I went) back to work, but I had the biggest smile on my face for the rest of the day."

**Chelsea** thanked everyone who requested **Laugh it Off** on CMC.

"This really is a dream come true", she said.

"I am one very happy girl."

If you fell like the lady pictured on the right. Don't worry, be happy!

Our generation can rock too!

I will NEVER be  
**OVER THE HILL.**

I'm too  
darn tired to  
**CLIMB IT!**
