

# That Woz the Day That Woz!

The Black Hats put on a good show with the dance floor almost filled to capacity. It's great to report that there were no major collisions between the dancers who were all doing their own thing...and enjoying every minute of it.

**Kym Wilson** used her powerful voice to blow the audience away... Well you know what I mean...

**A great voice and a worthy Gawler CMC Talent Quest Winner.**

**Kym** says her recoding of five tracks will begin in February and her CD release will take place at Gawler CMC when she will be backed by a prominent County Band.

Pictured below: Our walk up artist Jim McMullan. received a great reception. Watch out for his forthcoming achievements.

See President's report page 2 for info on our **Carter and Carter** Show.

## You are My Sunshine, My only Sunshine'...

Like any good mother, when Karen found out that another baby was on the way, she did what she could to help her 3-year-old son, Michael, prepare for a new sibling.

They found out that the new baby was going be a girl, and day after day, night after night, Michael sang to his sister in mommy's tummy.

He was building a bond of love with his little sister before he even met her.

The pregnancy progressed normally for Karen, an active member of the Panther Creek United Methodist Church in Morristown, Tennessee.

In time, the labour pains came. Soon it was every five minutes, every three, every minute. But serious complications arose during delivery and Karen found herself in hours of labour.

Would a C-section be required? Finally, after a long struggle, Michael's little sister was born. But she was in very serious condition.

With a siren howling in the night, the ambulance rushed the infant to the neonatal intensive care unit at St. Mary's Hospital, Knoxville, Tennessee.

The days inched by. The little girl got worse. The paediatrician had to tell the parents there is very little hope. Be prepared for the worst.

Karen and her husband contacted a local cemetery about a burial plot. They had fixed up a special room in their house for their new baby but now they found themselves having to plan for a funeral.

Michael however, kept begging his parents to let him see his sister. I want to sing to her, he kept saying.

Week two in intensive care looked as if a funeral would come before the week was over.
