## Ma's Country Kitchen

## Christmas Yule Log

### Ingredients:

300ml thickened cream, plus 300ml extra  
1/2 can Nestlé Sweetened Condensed Milk  
1/4 cup (60mL) milk  
1 tbsp hazelnut liquor  
2 x 250g packet plain choc biscuits  
500g Plaistowe Premium Dark chocolate, chopped  
1 tbsp Nestlé Baking Cocoa

### Instructions:

- Using an electric mixer, beat cream and Nestlé Sweetened Condensed Milk until thick. Spread a little of the cream mixture onto the base of a serving plate.
- Combine milk and hazelnut liquor. Working with 1 packet of biscuits at a time; use a pastry brush to brush the back of each biscuit with the milk mixture to soften slightly; then spread each biscuit with 1 tsp cream mixture; placing biscuits on their side and sandwiching them together to form a log.
- Repeat with remaining biscuits and cream mixture to form a second log, next to the first log. Refrigerate overnight.
- The day of serving, combine Plaistowe Premium Dark Chocolate and extra cream in a heatproof bowl over a saucepan of simmering water. Stir with a metal spoon until smooth. Remove bowl from heat. Set aside at room temperature to cool (note: this could take up to 3 hours), stirring occasionally, until ganache is thick and spreadable.
- Spread ganache all over top and sides of cake to form log.  
Dust with Nestlé Baking Cocoa.

### Cont from Page 1:

"The only time I would get to see my brothers and sisters was when mum was having another baby, and the kids would come to stay with granny," he said.

Chad always felt he owed his grandparents so much, and in later years, he was able to repay some of their kindness.

"My Granny loved people and one of her biggest thrills came when I was touring with **Slim Dusty**," Chad said.

"We pulled in home at Granny's place and **Slim** put his and **Joy's** caravan in the yard. **Barry Thornton** and **Gordon Parsons** were there too and we stayed a week.

"We had two or three nice parties at Granny's and I think it was the biggest thrill of her life to have them there, staying in her yard, eating at her table and partying in her house. It was just magic for Granny."

"I don't say too much before the song, **(included on the DVD)** but afterwards I tell the story and there's an audible gasp."

After 58 years in the entertainment business, Chad will be 80 years young on February 11, and shows no signs of slowing down.

**There's only one Sheik – and he's unique!**
