### Hi Folks

We should now be back into the hot steamy weather season when 'Slip Slap Slop' is the recurring message, and seasonal greetings of Merry Christmas and Happy New Year are about to echo around the world!

Coming from a multi cultural background and now living in the most accepting multicultural continent on planet earth, it saddens me to see so much racial and religious conflict throughout the world.

As newly born humans we have little or no choice over what culture, what race, gender or who our parents are/were! That is unless you know otherwise?

If you say 'It was the will of God!' that leads to the question... 'What God?' As far as religious beliefs and culture go, we generally follow in the footsteps of our parents our family and our social environment.

If we chose to celebrate Christmas because of our religion, culture or personal beliefs that is our choice, and hopefully we all do it with **Goodwill**.

Whatever religious beliefs; whatever your culture; whether you are a believer or non believer; I wish you a 'Happy Christmas'.

I respect you for your culture and who you are and would like to think that through **Music** and mutual respect we can all share in promoting good relationships.

In the words of John and Yoko...  
**Give Peace a Chance.**

Hopefully **Goodwill** is included in your moral code.

If you are a promoter of conflict and extremism, so be it. That is your choice. I wish you all a...

**Happy Christmas!**

## President's Report November 2013

G'Day Members & Friends,

Well another show has slowly slipped by, **Charlie** and his band played good dancing music and the dance floor was busy all day. Sharing the workload with members of his band made the mix of music very good. Then our guest artist **Malcolm Doyle** put his stamp on the day which was enjoyed by all. Our committee member **Tash Higgins** also stepped on stage to loosen her vocal chords. Thanks Tash!

We are still hearing gossip about the Bowling Club moving soon, but as I have said before, don't listen to gossip, we will keep you informed off any changes.

Well onto our final show for 2013. We have **J J Shannon** with "**D**" **Happy Uklers Band**. We will also have **Geoff McDonald** from the Open Mike to perform. Don't forget walk up's are welcome.

Until then,

Keep It Country

## Porridge and Long Life

Anyone in the autumn of their years pondering their mortality should take heart from the advice given by a tough old cattleman from outback Gawler to his grand-daughter.

The secret to a long life, he advised his grand-daughter, is to sprinkle a pinch of gunpowder on your porridge every morning.

The granddaughter followed the advice religiously until her death at the venerable age of 103.

She left behind 14 children; 30 grandchildren; 45 great-grandchildren; 25 great-great-grandchildren, and a 40-foot hole where the crematorium used to be.

## AT THE DENTIST...

A Gawler Country Music man and his wife walked into a dentist's office.

The Gawler Country Music man said to his dentist, "Doc, I'm in one hell of a hurry. I have two mates sitting out in my car waiting for us to go play golf, so forget about the anesthetic, I don't have time for the gums to get numb.

I just want you to pull the tooth, and be done with it! We have a 10am tee off time at the best golf course in SA and it's 9:30 already... I don't have time to wait for the anesthetic to work!"

The dentist thought to himself, "My goodness, this is surely a very brave man asking to have his tooth pulled without using anything to kill the pain."

So the dentist asks him, "Which tooth is it sir?"

The man turned to his wife and said, "Open your mouth Pet, and show him." ...
