

Gulliver's Travels

The popular **Jonathan Swift** novel **Gulliver's Travels** has much to offer in terms of fantasy, amazing tales and remarkable characters.

And hey! Gawler Country Music Club also has a few tales to tell about some interesting individuals.

Once upon a time there were two guys.

For quite some time they had never met, yet they sang independently at various entertainment venues around **South Australia**.

One is a better singer than the other. One plays the drums and the other doesn't.

One is older than the other, but not by much. They both look very much alike.

As young lads they both lived in **England**. They are now both members of **Gawler Country Music Club** and they both attend the **Gawler Country Music Workshop**.

Recently one of the guys was sitting at the bar at **Munno Para Bowling and Recreation Club**, and he looked over to the other sitting nearby and said, "**Hey, you look familiar...Are you from around here?**" The other guy answered, "**Yeah, I live down the street.**"

"**No kidding?**" says the first guy, "**Well, so do I. And hey, you look about my age. What school did you go to?**"

"**Oh I went to school in England. How 'bout you?**"

"**I went to school in England too.**"

"**Really? Did you go to college?**"

"**I went to the local technical college.**"

"**Get Out! I went to the local technical college too.**"

Are you a member of any clubs?"

"**Yeh! I go to Gawler Country Music Club.**"

"**You're not going to believe this . . . but I go to Gawler Country Music Club too!**"

Larry the barman walks over, and the first guy says to him... "**Larry, you won't believe this in a million years.....!**"

This guy lives in the same street as me; were the same age, we both went to a local school in England and we're both members of Gawler Country Music Club.

Isn't that amazing?"

Larry looks at them both and says in his usual sparkling voice, "**Yeah, that's just amazing!**"

Alan the Bar Manager arrives and says, "**Hey Larry! What's new?**"

Larry says, "**Not much Al... The Gulliver twins are both drunk again.**"

Yes....You may have guessed folks..... this article is just another..... tale....**A Gulliver's Tale.....**

You see... the bloke on the left of the picture is new club member **Mike Gulliver** and the bloke on the right is yours truly club member **Terry Sheehan**.

And between them these long time mates have more tales to tell than **Jonathan Swift**.

If you want to hear some **real tales**, have a chat with **Terry and Mike** at our next **Gawler Country Music Club** show.
