## Ma's Country Kitchen

If you have been dreaming of a White Christmas but there's just no signs of snow... Give yourself and your family a seasonal treat. Make some home made snowballs.

Yes this recipe is so simple that children and even men can make them. But please don't start throwing them at each other! 'Cause they hurt!

## Snowballs

Preparation time: 15 to 30 minutes  
It's so hard to stop at eating one or two of these yummy snowballs.

## Ingredients

- 9 Weet-Bix
- 1 cup coconut
- 1 cup sultanas
- 2 tablespoons cocoa
- 1 x 400g tin condensed milk
- Extra coconut

## Method

1. Crush Weetbix finely in a large bowl.
2. Add coconut, sultanas and cocoa and mix well.
3. Add condensed milk and mix together well.
4. Roll into walnut sized balls, and then roll in extra coconut.
5. Place in fridge to firm up. Store in an airtight container in the fridge.

If sultanas aren't liked use choc chips with equally good results.

## A Brooming Good Story!

Two brooms were hanging in the closet and after a while they got to know each other so well, they decided to get married.

One broom was, of course, the bride broom, the other the groom broom.

The bride broom looked very beautiful in her white dress. The groom broom was handsome and suave in his tuxedo. The wedding was lovely.

After the wedding, at the wedding dinner, the bride-broom leaned over and said to the groom-broom, "I think I am going to have a little whisk broom!"

"IMPOSSIBLE!" said the groom broom.

"WE HAVEN'T EVEN SWEEPED TOGETHER!"
