

## Country Music in Heaven Jim'll Fix It!

We joined this country music club several years ago.

We've enjoyed the entertainment, seen many a great show.

The music and the artists are the best that we have seen.

**Gawler Country Music Club** is the place to be, if you know what I mean.

So join us every month come sit and sing a song.

Get up, go out and dance join in the happy throng.

Come and play the pokies, buy raffle tickets too.

We have done this thing quite often and won us quite a few.

The regulars are many, you see them every time.

Our artists go to **Tamworth**, the ladder of success to climb.

Many of them make it, true artists they became.

Now they're on their way up that ladder of fame.

We have an annual tribute to **Slim Dusty** whom we love.

Now dear old **Slim** is singing songs to the angels up above.

I am sure he'll have them dancing and clapping hands as well.

There's one thing for certain his music he won't sell.

We even have old **Santa** there. He comes with happy cheer.

You don't see very much of him. He comes but once a year.

So come along and join up. Come and pay your sub.

There is one thing for certain you won't find a better club.

Bill & Kathy Armstrong

A husband was at home watching a football game when his wife interrupted.

'Honey, could you fix the light in the hallway? It's been flickering for weeks now.'

He looks at her and says angrily, 'Fix the lights now? Does it look like I have **ETSA** written on my forehead? **I don't think so!**'

'Fine!' Then the wife asks, 'Well then, could you fix the fridge door? It won't close right?'

To which he replied, 'Fix the fridge door? Does it look like I have **Westinghouse** written on my forehead? **I don't think so!**'

'Fine!' she says. 'Then you could at least fix the steps to the front door? They are about to collapse!'

'I'm not a carpenter and I can't fix steps!' he says, 'Does it look like I have **Munno Para Home Hardware** written on my forehead? **I don't think so!**'

I've had enough of you. I'm going to the **Munno Para Bowling Club Bar!!!!** I can speak to **sensible** people there like...pause... **Larry!**

So he goes to the bar and drinks for a couple of hours..... He starts to feel guilty about how he treated his wife, and decides to go back home.

As he walks into the house he notices that the steps are already fixed.

As he enters the house, he sees the hall light is working.

As he goes to get a beer, he notices the fridge door is fixed.

'Honey', he asks, 'how'd all this get fixed?'

She said, 'Well, when you left I sat outside and cried.

Just then a nice young man asked me what was wrong, and I told him.

He offered to do all the repairs, and all I had to do was either go to bed with him or bake a cake.'

He said, 'So what kind of cake did you bake?'

She replied, 'Hellooooo! Do you see **Margaret Fulton** written on my forehead?'

**I don't think so!**

## Just a Thought From Bill Northcott!

I called in to visit **Country** artist **Graeme Clarke** a few weeks back and met the man in person.

I purchased his **CD** and his **three books** 'Trail of the Tender Trap' 'Where Birds of Paradise Fly' 'Tempest and Torment'.

**Great CD and excellent stories.**

I truly recommend them. He even sang me a couple of his songs.

Don't miss **Graeme** on the **9th March** show at **Gawler Country Music Club**.

I'll be there for sure!

## The Odd Couple

At our January **Gawler Country Music Club** show we had a good turnout for 'Us Blokes' and **David Pearce**.

For most visitors the event went according to plan. However, you may have seen a club member walking around nervously trying not to attract attention.

The anonymous club member is not known for his **Boot Scootin'** activities but on this occasion he did a fair amount of **Scootin'**.

Our red faced twinkle-toes owned up at the end of the day... In his rush to get to the club on time he had accidentally put on two different coloured shoes.

Did anyone notice? Can you beat that?
