Hi Folks

I've always been a little on the slow side of accepting modern technology and keeping up to date with fancy new gadgets.

It took a major annual event such as Tina's Birthday to inspire me to play catch up and splash out \$\$\$'s on a digital set top box for her birthday pressie.

Well it lay in its cardboard box for two or three weeks... 'cos I ain't any good now at working out how to connect up wires. My brain and eyesight unfortunately don't work like they used to.

Anyways! A younger man appeared on the scene (**Tina's son Stuart**) to connect things up.... and hey bingo!

Tina can now flick between a multitude of new TV channels.

She is now a happy little flicker!

Next on the list of luxury gadgets was a Digital Radio. (For me!)

Dick Smith and other retailers are playing Santa Claus by offering budget price digital radios.

The advantage?

24 hours of Country Music 7 days a week! It's wonderful...

From **Tex Morton** to the **Dixie Chicks**... Non-stop music for everyone!

If you already have a **Digital Radio** please send in some feedback on what you think of it. I'm looking forward to hearing from all our happy **Gawler Country Music Club** radio listeners....

Should we make a fuss of DAB+?

President's Report

Jan 2010

G'Day Members & Friends. I will start this year off by wishing everyone on behalf of your committee **Happy New Year**.

Well our January show kicked off with another large crowd, everyone looking to enjoy the day.

Sonni and Country Mile performed some good entertainment for the day. Our guest artist **David Pearce** performed very well. This is a man who has come a long way in a short time. Well done **David** your doing great.

Several of our Club Members performed the catering duties for our first show of the year, while **Scottie & Sharon** took some well earned time off.

A big thank you must go to the 7 club members who put their hands up to help out. **Heather & Les Kerber, Tania & Geoff Mattner, Tina Chapman, Carlene Oliver and Kevin Vardon**... Thanks guys! Your help was very much appreciated. We couldn't have done it without you.

Well onto our **February** show. **Kindred Spirit**... What can we say about this band? They have certainly come a long way in the past year. They play a great mix of music which caters for all our dance needs. So why not come along and see for yourselves how good they are. Until then... Keep It Country
