## From The Secretary

Nature was unkind to Queensland people, this year. The water is making sure all States get it now. The rest of Australia feels for them. It is a test for Australian Mateship. I, myself have never before seen floods like it in Australia. Those living in Queensland would hamissed their chance to go to Tamworth in January. South Australia though did get the rain we have needed for a few years, maybe a little more than we expected too. We are not complaining. Now the real heat is here. If this Newsletter gets to you in time, your Club will be having a Sausage Sizzle at Woolworths, Gawler, on Saturday 12<sup>th</sup> February 2011. Come along and buy a sausage or two. Gawler Country Music Club Inc; now have the DVD to our last Tribute Show to Slim Dusty 2010, if you wish to buy one at the next Club Show in February.

## President's Report

February 2011

G'Day Members and Friends,

Welcome to the start of another great year. 2011 is starting to look great as far as our show's go. Eddie & Friends do a magic job on the day, with a lot of the real old style country music. Great job guys. We had no complaints about the last Newsletter, I must have made it readable. We are still looking for a Newsletter Editor to keep it going. If we can not get one by the middle of February I will have no other alternative but to produce one every two months. I have not got the time I would like to have to do one every month. I still work Fulltime and by the time I get home and have a Cuppa there is not much time left. It would be great if some one could help. Well onto our February show. We have The Black Hats, with our senior Champion of Champs Angela Easson as our guest artist. We ran a survey at our January show with the 115 members who attended our January show in regards to Donating \$500 to the South Australian Council for Country music to help bail them out of a financial problem. The end result was that we do not help SACCM as they have done nothing to help out the clubs.

Keep it country
