### Hi Folks

The beginning of year 2013 has been hot and dry, with some people loving the heat and others hiding from it. Let's hope it is a happy year for all club members and for all country music fans.

I may be repeating myself these days... possibly old age... However, I do wish, again, to focus on encouraging our young Country Music Artists; but from a different angle.

In my younger years 'the adult rule' was **'Children should be seen and not heard!'**

When I think back to the days of this **UNWRITTEN RULE** I think of a whole generation of young people who were discouraged from open verbal communication and limited in constructive discussion.

Yes things have changed since then, possibly to the opposite extreme.

However, I do observe generally, that many of our young country music artists are very well mannered and somewhat apprehensive when it comes to looking for, and creating opportunity for themselves in the music industry.

In my later years I heard an associate of mine... who was always at the **FRONT OF THE QUEUE** say... **'IF YOU DON'T ASK... YOU DON'T GET!'** These are powerful words, but not in everyone's nature.

My words of advice to all **young Country Music Artists** are...

Learn your music and lyrics, learn them well. Practice and develop your skills. Become confident. Smile and be pleasant to others...

And don't expect event organizers to come running after you. Don't rely solely on 'Talent Quests' to show the world what you are capable of.... **ASK!** Ask for gigs at Country Music Clubs, Ask for gigs at Concerts, Festivals, indoor and outdoor community events...etc... **ASK!** A small word that could change your life!

## President's Report

January 2013

G'Day Members And Friends  
I would like to start off by wishing everyone a very happy and prosperous new year. 2013 has already started off very well with a large crowd for our January show. As always **Eddie & Friends** were superb, with excellent music all day. **Allan Webster** our guest artist also provided great entertainment. I have been busy over the holiday period setting up this year's shows. Trying to put something different on is not an easy task, but we will get there in the end. As you are aware, we have new caterers **Cheryl's Kitchen Cuisine**. Please be patient as they try to work out a way to serve everyone's needs. I must also thank **Jamie & Donna** who came onboard to cater for us last year for their help in our time of need. Having to travel from Auburn each month took a lot away from their small income. Once again Thank Jamie & Donna. Moving onto our **February** show we have **Warren Jonhcock and Midnight Special**. Always a favorite with our members. We don't have any guest artist as yet we will look forward to some walkup artists.

Until then. **Keep It Country**

P.S. A big thank you to **Roz Lang** for donating the very large Xmas Hamper last year.
