

# That Woz the Day That Woz!

## May Day

May you get a clean bill of health from your dentist, your cardiologist, your gastro-enterologist, your urologist, your proctologist, your podiatrist, your psychiatrist, your plumber and the taxman.

May your hair, your teeth, your face-lift, your abs and your stockings not fall; and may your blood pressure, your triglycerides, your cholesterol, your white blood count and your mortgage interest not rise.

May 2013 find you seated around the table, together with your beloved family and cherished friends. May you find the food better, the environment quieter, the cost much cheaper, and the pleasure much more fulfilling than anything else you might ordinarily experience.

May what you see in the mirror delight you, and what others see in you delight them.

May someone love you enough to forgive your faults, be blind to your blemishes, and tell the world about your virtues.

May the telemarketers wait to make their sales calls until you finish dinner,

May the commercials on TV not be louder than the program you have been watching, and may your cheque book and your budget balance.

May you remember to say "I love you" at least once a day to your spouse, your child, your parent, and your siblings; but not to your secretary, your nurse, your masseuse, your hairdresser or your tennis instructor.

May is only two months away... So have a good one!

## Dot's Spot!

A Gawler woman rushed to see her doctor, looking very worried and agitated.

She rattles off: "Doctor, take a look at me. When I woke up this morning, I looked at myself in the mirror and saw my hair all wiry and frazzled up; my skin is all wrinkled and pasty, my eyes were bloodshot and bulging out, and I had this corpse-like look on my face!

What's WRONG with me, Doctor!?"

The doctor looks her over for a couple of minutes, and then calmly says:

"Well, I can tell you that there ain't nothing wrong with your eyesight.

### Eddie and Friends with guest Allan

**Webster** put on a well appreciated performance for our first show of 2013. An excellent sized crowd had the dance floor busy for most of the day. The selection of songs played by the band was varied and **Eddie** showed what an excellent singing voice he has.

**Allan** performing with his backing tracks has a tremendous voice. He played some of his own songs and many well known oldies.

Thanks to our entertainers for starting off 2013 on a good note and setting the benchmark for another year of Country Music at our Club.

Thanks also to **Ian Fisk** for keeping Country Fans informed on Gigs around South Australia and beyond.
