Kerry's 60th Birthday

Club Members Kerry and Anne had a recent series of celebrations with the **Christmas Show at Gawler CMC**, The **New Year show at Munno Para Bowling Club** and it was **Kerry's 60th Birthday** on the **3rd of January**.

Everything ran smoothly on each occasion although there was clearly a couple of boobs on **Kerry's Tasty Birthday Cake...**

Molly Meldrum

"MUSIC guru Ian "Molly" Meldrum continues his slow recovery from his pre-Christmas fall at home and is now able to engage in some limited conversation from his hospital bed.

His manager Mark Klemens says Molly's progress can be measured in "baby steps" and he still remains in intensive care at The Alfred hospital.

"There has been some improvement over the last day or so but we don't know when he'll be coming out of intensive care.

"He's breathing a lot better and he's able to engage in some limited level of conversation.

"If he's told something he seems to be able to comprehend it and respond."

Mr Klemens said the spinal surgery Molly has undergone to repair several fractured vertebrae after the three-metre fall, had gone well and he is now going through the healing process.

"I don't think he realises what's happened to him but he has a realisation he is in hospital."

Get well soon Molly!

*The latest news is that Molly is now in a rehab centre.
