## Country Music Workshop

Hi Guys

Well another year of the workshop has come and gone, and the **Most Outstanding Achiever Award** has been presented.

For those that aren't aware at the end of each year, we give out a trophy for the winner to keep and their name is also placed on a shield which is kept at the **Munno Para Bowling and Community Club** our **Country Music Venue**.

This year the winner was **Les Parris**.

**Les** has only missed a few workshops since he started coming along some years ago.

**Les** won the trophy this year for all the work he has done in teaching the juniors, and helping out some of the more senior members as well.

An honorable mention goes to **Steve Liley** for his efforts through the year helping those that needed assistance with chord charts and for filling in as one of the main singers when **Brian** wasn't available.

Thanks to our kitchen ladies **Carol** and **Clair** for making sure enough food was on the table each month.

I'd also like to thank my **subcommittee** for the help and support they have given me through the year; I will be calling our next subcommittee meeting in January.

**There will not be a January Music Workshop** due to falling on the 2<sup>nd</sup> of January. There won't be enough participants to warrant running a workshop on that day.

I would like to wish you all a **Happy and Safe New Year** and hope to see you all back soon.

..... **Fred Payne**

## Just a Thought From Bill Northcott!

A New Year's resolution is something that goes in one year and out the other.

### TIFFNEY STARMAKER FINALIST

The top 20 finalists in Australia's most prestigious country music talent search – Toyota Star Maker – have been announced for 2010 and still 'living her dream' is **Mt Barker** singer/songwriter **Tiffney Stroh** as the sole **South Australian** selection.

Chosen from over 100 applicants, 19 year old Tiffney has shown once again that hard work and commitment can pay off. A recipient of many awards across Australia in the country music genre, her selection has now set **Tiffney** on the path to securing her place in **Country Music** history.

**Tiffney's** many awards... 3 time **Tamworth Camerata Graduate**, Graduate of the **Australian College of Country Music**, **Telstra Road to Tamworth Finalist**, **ACTS** and **Overall Awards** in many states... are evidence of her progress in **Country Music**.

A regular at many venues around Adelaide, currently working on her debut album at **Studio28** for release during 2010, this young lady is a bright star on the horizon for the **South Australian** music scene as she presents not only **Country** but **contemporary**, **blues** and **60/40**, as well as her own original compositions, proving her versatility and appeal to audiences young and old.

Information on **Tiffney's** future shows can be found on her website: [www.tiffneystroh.com](http://www.tiffneystroh.com)
