

That Woz the Day That Woz!

Tiffney Stroh SA heat winner for the Telstra Road to Tamworth sang us a few of her songs. Watch out folks... **Tiffney** is about to become a **P-plate driver**.

Rodger was in Christmas spirit singing **Silent Night** and some **Slim** favourites.

The **December** show at **Gawler Country Music Club** was filled with good music, Christmas Carols, dancing, singing, clapping and laughing. What more could one ask for as we approach **Christmas** and the end of **2007**...

Well we could have asked for some **special guests** to appear, but there was no need, because **Santa** and a whole swag of entertainers arrived to provide a sack full of lollies, fun and surprises.

Let's first of all thank and congratulate **Trish Wilson and Midnight Mountain Blue** for providing a wonderful show. All members of the band performed extremely well, including **Barry's** son on drums. The first time he has played in public. Tremendous performance. **Trish** has a voice with special strong and powerful qualities. The lead guitarist is tremendous, the backing vocals and also their front line vocals showed what a versatile band they are. Playing a mix of **Country, Rock and Golden Oldies** thanks to all of you for a great show.

The young team of dancers from **Unique Dance Studio** under the guidance of **Shirley and Kirsty**, provided a marvelous segment of entertaining. Young **Jade** is pictured showing one of many lovely dancing costumes.

Eliza took stage to sing a few **Slim Dusty**

favourites from her expanding repertoire. **Eight year old Eliza** is working hard to develop her natural talent and she is already booked for several events around **South Australia** and interstate.

The good news is that **Rudolph** reckons that in a warmer climate he will be able to visit us more regularly at **Gawler Country Music Club**.... 'cos the icicles on his jingle bells won't be quite so severe.

Thanks to everyone... artists, walkups, visitors, friends, club members and the Committee... for another successful year and 'All the best for 2008'.

Therese & David Higgins presented songs and instrumentals including the golden oldie **Blackboard of my Heart**.

We can't forget the **best Golden Oldie** of all.... **Santa**.

Well his hair isn't exactly golden but he is an oldie.

Rumour has it that **Santa** is emigrating from **The North Pole** to **New Zealand**.

Santa was extremely busy in 2007. He was asked to do repeat performances at several of his venues; and he had to take a trip to **New Zealand**.

Whyoo! The poor guy is getting too old for all this.

He whispered to me that he might be retiring!

C'mon **Santa!**.... You can't disappoint us all! Hope to see you next year...
