

Who Wants One?

Here's a little thought from **Gawler Country Music Club** member **Josie**.

Hugging is healthy. It helps the body's immune system, cures depression, reduces stress, and induces sleep.

It's invigorating and rejuvenating, has no unpleasant side effects, and **hugging** is nothing less than a miracle drug.

Hugging is all natural. It's organic, naturally sweet, no pesticides, no preservatives, no artificial ingredients, and 100% wholesome.

Hugging is the ideal gift, fun to give and receive, shows you care, comes with its own wrapping and of course... fully returnable.

Hugging is practically perfect: no batteries to wear out, inflation-proof, non-fattening, no monthly payments.....

So what is everyone waiting for....!

O.K folks.... Just calm down.....

This advice is so true.... There's another free serving of 'Hugging' in the next column.

Barry's First Egg

Committee Member **Barry Warren** has spent some time building a **Chook House**. He was recently presented with his **first egg**. **Congratulations Barry!**

Excited **Barry** left our **Gawler Country Music Club's** December meeting early to check for more eggs.

HUGGING

It's wondrous what a hug can do.

A hug can cheer you when you're blue

A hug can say, "I love you so,"

Or, "I hate to see you go."

A hug is "Welcome back again."

And "Great to see you! Where 'er you been?"

A hug can soothe a small child's pain

And bring a rainbow after rain.

The hug, there's just no doubt about it --

We scarcely could survive without it!

A hug delights and warms and charms;

It must be why God gave us arms

Hugs are great for fathers and mothers,

Sweet for sisters, swell for brothers;

And chances are your favorite aunts

love them more than potted plants.

Kittens crave them, puppies love them,

Heads of states are not above them.

A hug can break the language barrier

And make your travel so much merrier.

No need to fret about your store of 'em;

The more you give, the more there are of 'em.

So stretch those arms without delay

And give someone a hug today!

Dean Walley
