

## That Woz the Day That Woz! Amos Signs On Dotted Line

Well the 5 S's certainly kicked in with a huge wallop. **No Worries! Simon on Bass, Simon on Drums, Shaun on Lead Guitar, Sarah on Harmonies and Guitar and Miss Tiffney Stroh on Guitar and Lead Vocals**, thanks for a great show!

With a sense of apprehension, the audience at **Gawler Country Music Club** looked on as the band kicked off with their opening number.

It took very little time for **Tiffney and No Worries** to attract dancers onto the dance floor.

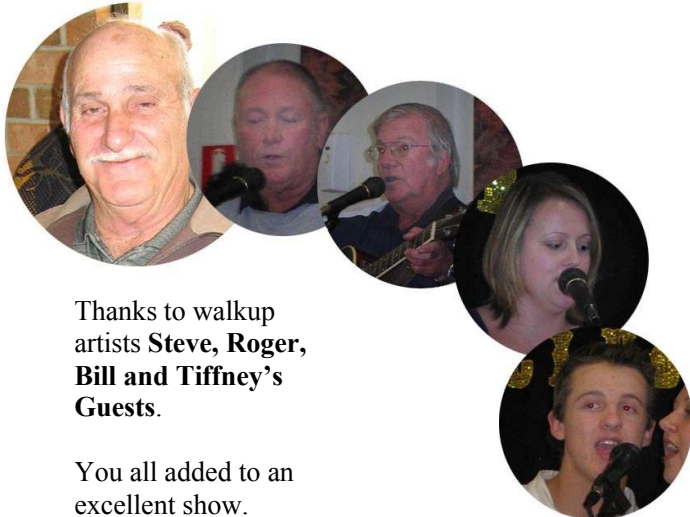

This band should have **'No Worries'** about developing a fan club and a stream of loyal followers.

For a young newly formed band **'No Worries'** have got the lot!

The quality of music, tight nit timing... this band will go places...**No Worries!**

**'Do What You Do Do Well'**..... You sure did!...CU Soon!

## Walk Up Artists

Thanks to walkup artists **Steve, Roger, Bill and Tiffney's** Guests.

You all added to an excellent show.

It will be no surprise for **Australian Country Music fans** to hear that **Amos Morris** has signed on the dotted line to follow in the footsteps of our **King of Country, Slim Dusty**.

**Amos** who is due to appear at **Gawler Country Music Club's 2007 Slim Dusty Tribute Show** in **September** has signed with **Nulla Records** the label **Slim Dusty** started back in **1981**

**Watch out for This Years Slim Dusty Tribute Show. It takes place on Sunday September 16th 2007. (See page 6)**

Australian country music legend **Joy McKean** recently officially welcomed young **Kempsey** artist **Amos Morris** to **Nulla Records**.

**Amos**, as we all know is a very popular artist who is committed to preserving the heritage of bush ballads.

It is a happy coincidence that this young balladeer comes out of **Slim Dusty's** hometown and will continue **Slim's** legacy through **Nulla Records**. The influence of the master is evident.

**Amos** will be recording his debut **Nulla** album in **Slim's Columbia Lane studios**, produced by **Anne Kirkpatrick** and assisted by longtime **Slim's Travelling Country Band** member **Mike Kerin**.

**Amos's** second album will be released **early August** on **Nulla Records** through **EMI Australia**.

Well done **Amos**. We look forward to meeting up with you again at **Gawler Country Music Club** in **September**.

## Shorty Ranger

– one of **Australia's** most prolific country music songwriters died on **Friday, June 22, 2007** aged **81**. **Shorty** died at **Kempsey Hospital**.

**Shorty's** parents were involved in mixed farming on the **Nulla Nulla Creek** in **NSW** just **three miles** from the original **Slim Dusty** homestead.

**Shorty's** early country music career mirrored that of his singing mate **David Gordon Kirkpatrick (Slim Dusty)**. **Shorty** and **Slim** attended the **Nulla Nulla school** together and they were long term friends from the first day they met

**Shorty** recorded more than **250** of his own songs. Here's hoping that the achievements of **Shorty (Edwin Haberfield)** become well documented in **Kempsey's Slim Dusty Centre**.
