Ma's Country Kitchen

Bread Pudding

Ingredients
 1 loaf of bread
 2 cups of milk
 2 eggs
 2 cups of sugar or adjust to suit yourself
 2 cups of dried fruit
 Mixed spice to suit you I like lots.
 4 oz butter

Method

Break up the loaf into small pieces. You may cut off crusts if you wish. I prefer to leave on. Soak bread in one and a half cups of milk, put the remainder of milk in a pot with butter and let the butter melt, but don't let it get too hot. When melted, beat in the eggs and add to the bread along with the rest of the ingredients. Make sure it is mixed in well. I find using your hands is the best method for this. Put into suitable size cake-tin or baking dish and cook in oven. It is cooked when you poke a knife or skewer into center and it comes out clean. Do not overcook as it is meant to stay moist. You can however vary the method to suit yourself but make sure you don't allow the mix to be too sloppy as it will not set.
