Hi Folks

The winter weather is now showing in our darkened skies. The priceless raindrops are falling where needed; but still some of our farmlands are crying out for more.

Our Lucky Country does however, have something else to be thankful for, and that's the abundance of good **Country Music artists and bands** here in **South Australia**. On the other hand, they are also surviving a drought..... A drought in **opportunity**.

I suppose one could compare the effects of Global Warming with the Climate Change in **Country Music**. Both are the result of economic supply and demand, technology, Profit Taking andsurvival. (against DJ's, karaoke, backing tracks etc.) Apparently the recent **SA Riverland Festival** was not so well attended this year. Could it be climate change...?)

Without becoming too deeply involved in the negatives, we must all be thankful that **Country Music** is able to maintain its magnetism and still attract people of all ages into its fold.

The fact that **Gawler Country Music Club** still attract new members and **continues to grow** must be a sign that **Country Music in SA is potentially a Growth Market if managed effectively**.

However, just like our farmers... To assist in the growth... of Country Music... we need to use the correct systematic approach to nurture our product...

A fertile environment, A good supply of nourishment, a healthy climate, effective pest control and a good management system.

Well done Gawler Country Music Club! You've obviously been eating your porridge! In the words of Butch Cassidy and the Sundance Kid ... Here's hoping ... 'Raindrops Keep Fallin' on Your Head!'

President's Report

June 2010

G'Day Members & Friends

Well what a fantastic June show! **Wild Card** was sensational, playing to our biggest crowd for this year. We had 246 people ready to enjoy the day. Well done **Wild Card!**

Topping up the show were two great guys... **Graeme Hugo and Big Deano Ettridge**.

Wayne's Pest Control sponsored the show. A big **thank you** to all.

Wayne donated a pest control service as a raffle prize.

Our sincere apologies go to the people we had to turn away. Unfortunately we have to comply with our insurance policy.

Well onto our **July show**.

Midnight Special is our band with Special Guest **Tom Maxwell**. Another great show for sure.

Until then
