

# That Woz the Day That Woz!

20<sup>th</sup> June 2010

A Full House, Good Music, and a Thriving Dance Floor combined with Tasty Food is a sign that Gawler Country Music Club has the ability to attract capacity crowds by providing what Country Music fans want.

It is encouraging to see so many young people participating and enjoying the activities. It's also great to see young and old spending a family day together.

**Wildcard** put on a great show. Individually they are all talented musicians, their harmonies blend together to perfection. I would go as far to say that in my opinion as Newsletter Editor... **Wildcard is one of the best Country and R&R bands in SA.**

**Big Dino** sang favourites such as Amanda, Waltz of the Angels and Daddy Sang Bass, and **Graem Hugo** was in perfect form with Spanish Angels, and Don't Forget to Remember Me.

A wonderful action packed Five Hour show which seemed to pass by so quickly. **I heard a whisper that we might do it all again next year!**

# Country Music Artists Working Together

When there is a need to provide a helping hand for a good cause, many of our **South Australian Country Music** artists are quite willing to roll up their sleeves to muck in and lend a helping hand.

By all accounts the recent **SACCM Fundraising event at Sunnybrae** was a great success.

The solo artists and bands helping out with the event were **Amber Joy Poulton and Gary Burrows** (above), **Angela Easson, The Black Hats, Breanna Kinlough, Charlie McCracken, Compact Country, Danielle Mowbray, Eliza Parker, Georgette Berry, Maryanne, Melissa Preusker, Phoenix, and The Rustlers.**

**These artists all offered their services free of charge and sponsorship was supplied by Coopers Brewery and Aussie Cider.**

Thanks to SACCM and everyone involved for your support in promoting **Country Music** and for making it possible for old and new talent to perform together.
