

That Woz the Day That Woz!

18th and 19th June 2011

At Saturday's R&R Show **The Cruisers** started off the night by asking the question in the form of a song...

'Do You Wanna Dance'

The Rock and Rollers immediately responded by bringing the dance floor to life with dancing shoes Teddy Boy suits and amazing twirly skirts.

The lights were dimmed and the atmosphere became electrified as Da Doo Ron Ron, Calender Girl and Shake Rattle and Roll kick-started the evening into a night to be remembered with R&R fondness.

This down to earth for piece band **The Cruisers** consists of the most down to earth friendliest people you are ever likely to meet in the music industry. Thanks for a great shows on Saturday and Sunday folks, your harmonies are excellent, and it's not everyday the Newsletter Editor receives a kiss

from the Drummer. Great sense of humour, wonderful musicians and lovely people. I hear a whisper that some recording might be on the cards. Keep us informed; I can guarantee sales will be T ot P s.

Sunday kicked off at 11 a.m. for a five hour show with **Wildcard** as the band **Graeme Hugo** and **Big Deno** who sang many of our Country Favourites. **Kimberly Rodgers** also provided vocals.

Besides being another great show the **Full House** sign was required as the venue had reached its capacity audience.

Thanks to everyone for making this a wonderful weekend of **Country Music**.

Keep up to date with our events folks...cos there's more....
