### Hi Folks

It's now almost time for our annual **Country Music Talent Quest**.

As many of you know, in the past I've raved on about attracting young artists with their new songs into our **World of Country Music**. I strongly believe that the younger generation has much to offer, with their contemporary approach and different ways of expressing themselves.

However, when we look back over the years, we can see how our old style **country music** has been slowly reshaped into what it is today. Mixing traditional sounds with various cultures, new talent, and new-fangled technology.

Just as styles and fashions change; evolution plays an important part in producing the music that the younger generation loves to hear and perform.

As a multi-inter-generational-aging musician... when I listen to the early music of the 30's and 40's, my emotions and curiosity become fired up. How did these talented musicians learn to play music so well? There were no widely available records in those days, and no widely available sheet music...?

Not to wander off the subject... There is more than enough room here in **South Australia** for **Country Music; old and new**, to exist side by side, with mutual respect and positive interaction between generations.

If you want to play a role in shaping history, and enjoy the progress of **Country Music in South Australia**, come along and enjoy the **Ultimate Country Music Talent Quest** at our **Gawler Country Music Club Saturday 11<sup>th</sup> August from 10am.....**

## President's Report

May 20 2012

G'Day Members & Friends

What a fantastic weekend we had with numbers exceeding our expectations. I do apologize to those people who were unable to get in because of a full house. We had to put the full house sign out thirty minutes before a musical note was even played.

Starting with Saturday night's **The Cruisers Rock N Roll**, The rockers were there for a good time which was had by all who attended. With a change of hats **Wildcard** came out with all guns blazing. Then **Graeme Hugo** performed like he always does, topped up with **Big Deano**. We had a fantastic day. Well done guys for one of our best days this year.

Congratulations to **Jamie & Donna** who did a fantastic job in the kitchen, catering for an unknown number of people is not easy. Thank you to the members who volunteered to assist them.

Our **A G M** is only a couple of months away so give it some thought and nominate someone for our committee. You will have to approach the current committee to see if they are willing to stand again. A nomination form is enclosed in your newsletter as a loose flyer.

Well onto our **July** show which will be another double header with **Craig Giles. Saturday night Rock N Roll** with **Anthony Stewart & Band** and then our **Sunday** show will be **Bernie & The Bandits**. Another great show, so to avoid disappointment be early. Doors open at 10.30

Until then. Keep It Country
