

'Brand New!'

A Munno Para man was telling his neighbor, "I just bought a new hearing aid. It cost me **four thousand dollars**, but it's **state of the art**. It's perfect."
"Really," answered the neighbour.
"What kind is it?"
"Twelve thirty."

'How Time Flies!'

Do you realise that the only time in our lives when we like to get old is when we're kids? If you're less than 10 years old, you're so excited about aging that you think in fractions.

"How old are you?"

"I'm four and a half!" You're never thirty-six and a half. You're four and a half, going on five!

You get into your teens, now they can't hold you back. You jump to the next number, or even a few ahead.

"How old are you?"

"I'm gonna be 16!" You could be 13, but hey, you're gonna be 16!

And then the greatest day of your life. You become 21. Even the words sound like a ceremony. **YOU BECOME 21 YESSSS!!!**

But then you **turn 30**. Oooooh, what happened there? Makes you sound like bad milk! He **TURNED**; we had to throw him out. There's no fun now, you're just a sour-dumpling. What's wrong? What's changed?

You **BECOME 21**, you **TURN 30**, then you're **PUSHING 40**. Whoa! Put on the brakes, it's all slipping away. Before you know it, you **REACH 50** and your dreams are gone.

But wait!!! You **MAKE it to 60**. You didn't think you would!

So you BECOME 21, TURN 30, PUSH 40, REACH 50 and MAKE it to 60.

You've built up so much speed that you **HIT 70!** After that it's a day-by-day thing; you **HIT Wednesday!**

You get into your **80's** and every day is a complete cycle; you **HIT** lunch; you **TURN 4:30**; you **REACH** bedtime. And it doesn't end there. Into the **90s**, you start going backwards; "I Was **JUST 92**."

Then a strange thing happens. If you make it over 100, you become a little kid again. "I'm **100 and a half!**"

..... May you all make it to a healthy 100 and a half!

Just a Gas Gas Gas!

A Kapunda man was driving to Gawler Country Music Club and ran out of gas.

Just at that moment, a bee flew in his window.

The bee said, "What seems to be the problem?"

"I'm out of gas," the man replied.

The bee told the man to wait right there and flew away.

Minutes later, the man watched as an entire swarm of bees flew to his car and into his gas tank.

After a few minutes, the bees flew out.

"Try it now," said one bee.

The man turned the ignition key and the car started right up.

"Wow!" the man exclaimed, "what did you put in my gas tank?"

The Bee Answered.....

'BP.....!'

Just a Thought From Bill Northcott!

'Nothing Great was ever achieved without enthusiasm.'

(Quote: Ralph Waldo Emerson 1803 – 1882)

This is true of almost all personal achievements. Without enthusiasm, determination, motivation and effort..... What great achievements would we have?

Half hearted efforts produce half hearted results....

Johnno has Tuppence

891AM host of Saturday Night

Country, John

Nutting gives

the impression

he is in the

studio alone

during his

Saturday

Night Country

Music radio

transmissions.

Well ...not true.... A little birdie tells me otherwise....

Since Saturday Night Country began on ABC Radio fifteen years ago, Johnno has shared the studio with his doggie friends.

In the early days Johnno's Blue Cattle Dog "Bonza" was there with him from his very first show all those years ago.

When Bonza became too old, his daughter, "Dusty" would keep Johnno company working as his security guard.

As a result of Bonza and Dusty going to doggie heaven "Lilah", a big white dog has taken over, and is now Johnno's companion each Saturday in the Townsville studios of Saturday Night Country.

"Lilah" is a Great Dane, Bull Mastiff cross, bred to hunt pigs, which she doesn't do 'cos she prefers listening to Johnno's Country Music show.

When Lilah is having a day off her little mate 'Tuppence' a tiny Tenterfield Terrier stands in!
