13th June 2008

**Walk Up Artists George Dobie, Chooka Williams, Eliza Parker and Twice Daily** provided the extra ingredient to supplement the popular entertaining provided by **Country Plus**.

## Tales of a Gawler Mummy

I was out walking with my 4 year old daughter in **Twelfth Street Gawler**. She picked up something from the ground and started to put it in her mouth.

I took the item away from her and I asked her not to do that.

'Why?' my daughter asked.

'Because it's been on the ground and you don't know where it's been, it's dirty and probably has germs' I replied.

At this point, my daughter looked at me with total admiration and asked,

'Mummy, how do you know all this stuff? You are so smart.'

I was thinking quickly.

'All mums know this stuff. It's on the **Mummy Test**. You have to know it, or they don't let you be a Mummy.'

We walked along in silence for 2 or 3 minutes, but she was evidently pondering this new information.

'OH... I get it!' she beamed, 'So if you don't pass the test you have to be the daddy.'

'Exactly,' I replied with a big smile on my face.
