

That Woz the Day That Woz!

18th May 2008

Reg Poole and Owen Blundell attracted a good crowd at our May show and had everyone in stitches with the best Frank Spencer impressions ever. Good Country and pop music, a variety show, laughter, impersonations, excellent entertainment... This was amongst the best shows ever experienced at Gawler Country Music Club.

Seating at Gawler C. M. C.

Providing Gawler Country Music Club Members with a good service and good quality entertainment is not easy at the best of times, and several of our Club Members have brought it to the attention of the GCMC Committee that they are not happy with the seating arrangements at our shows.

The issues include

- ❖ 'We always sit at that table.'
- ❖ People are keeping seats available for friends by placing coats, bags etc... on chairs.
- ❖ Some 'Reserved' signs seem to be placed without committee/members awareness

The Committee spent considerable time trying to find an acceptable solution. Somewhat reluctantly, this is the best solution we on the committee could come up with...

- ❖ All seating is on a First Come First Served Basis

Exceptions are...

- ❖ Table/Seats may be reserved. However, payment must be received in advance.
- ❖ Seats can also be reserved in advance for people with disabilities and one support person. These must be booked in advance, and paid on the day.

Apologies for inconvenience.
If anyone has a better solution, please contact our Committee.

Judo Chick!

One of our Gawler Country Music Club Members has held a Black Belt in Judo.

Can you recognize her from this chick pic?

While on the subject....

Three judo wives were having Sunday tea with Father O'Malley from Adelaide, and they were becoming fairly boastful about their respective husbands and bragging about who had the best job, the most income, etc. when one of the wives said,

"Father, my husband has an Orange Belt in judo and is bald on the front of his head. What does that mean?"

"Well my dear, that means that your husband is a great thinker!" "Ah, yes, you are quite right" said the wife very proudly.

The second wife then piped up and said, "But father my husband has his Blue Belt in Judo and is going bald on the back of his head. What does that mean?"
Father replied, "That means that your husband is a great lover." "Ah, yes, you are so right." the 2nd wife said shyly.

At this point the third wife, not to be outdone, said, "But then father, my husband has a Black Belt in Judo and is bald both on the front and back of his head. Now, what does that mean?"

"Well my dear," said father O'Malley, "that means your husband thinks he's a great lover."

If you identify our Black Belt holder please do not look at her husband's head,

'cos he also has a

B _ _ _ _ Belt in Judo.

Royal Society For the Blind

Gawler Country Music Club member Lorraine Howard recently announced that her independent group of Merry Community Fundraisers raised almost \$2000.00 for the RSB as a result of their event at Munno Para Bowling & Recreation Club on Sunday 4th May.

Tracey Rains & Claypan, Nathaniel O'Brien, Cactus Martins and Kristal Collins put on an excellent show. Well done to everyone involved!

Lost Purse:

A lady's purse was lost at the above show on Sunday 18th May. If anyone can assist with its recovery, please contact Club Secretary Helen on 8255 8920.
