Editors Note

Hi Folks

I went to have my hair cut a few days ago. It's not one of my favourite pastimes, but there are pressures in life that sort of...have an influence on what we do and don't do. (No names mentioned.)

And hey! I realised something I hadn't thought of for years.... I've got big ears!

See! Even our personal details and experiences can end up in our newsletter?

Come on folks I need to hear wot you've all been doing! Yes my big ears are always listening for interesting news.

Oh! While on the subject of ears....

A **Gawler Country Music Club Sizzler** recently walked into our **CM Club Show** and both of his ears were all bandaged up.

Larry asked, "What happened to your ears?"

Our Sizzler said, "Yesterday I was ironing a shirt when the phone rang and shhh! I accidentally answered the iron."

Larry said, "Well, that explains one ear, but what happened to your other ear?"

Our Sizzler said.... "Well, geez, I had to call the doctor!"

The moral...

If you have ears that are not bandaged, please tell your Newsletter Editor wot news and gossip you've been hearing.

It's sure to be interesshhhting!

G'Day Members and Friends

Where has the time gone May already? Well our May show was another great day. **Top Dead Centre** is a new band and did a great job after a few technical problems were sorted out. Watch out for this band in the future. Great job guys.

We have over the last couple of month had two guest artists. This has added a little extra entertainment for the day. Our first guest was **David Pearce** who has performed for us in the past, but he is getting better each time he come to join us. Well done David. Our second Guest was **Freddy Bowen**. Freddy has been on the country music scene for years. He certainly plays my kind of country music. Well done to all.

Onto our June show. **WildCcard** are coming to join us with our guest artist **Graeme Hugo**. This will be a big day, so I would advise you to arrive for when the doors open at 10.30 or you may miss out.

We are hoping to have the **Slim Dusty Tribute Show** tickets available for our **June show**. So until then ...

3 Generations of Country Gospel

The **Salisbury Church of Christ's** fundraiser for **Rural Zimbabwe Fundraiser** is primarily for the Children's Village, water supply and meals.

The object of their local Pastors is to teach Integrity and Hope to the people of Zimbabwe.

What a night of wonderful entertainment, in a cosy atmosphere, and a scrumptious supper included in the admission fee.

Michelle Sherrah, Steven Sherrah and Tracy Stewart opened with those magnificent harmonies the **Sherrahs** are so well known for.

Ian Sander was the MC for the night, and entertained us with amusing jokes in between artists.

Delighting the audience, **Amy Sherrah** was next to perform, followed by cuties **Kane and Brooke Stewart**.

Next up was **Lynn Hughes**, followed by **Adelaide Country Music Club's President, Di Smith**.

Christine Sherrah sang solo to begin with, and then **Ian Sander** joined her to perform duets from their CD. What beautiful harmonies they have.

Ian Sander sang a solo song that was all about shattered dreams, and I could certainly relate to this song over my last 2 years.

Of all songs this song moved me the most.
