## Ma's Country Kitchen Cookies

This is what you need:  
 1 cup finely chopped walnuts  
 1/4 lb butter, softened  
 1/4 cup sugar  
 2 tsp vanilla extract  
 1 cup unbleached AP flour  
 2 tbsps granulated sugar  
 2 tbsps confectioner's sugar

Preheat oven to 300 F .Chop walnuts and remove from food processor. Add butter and sugar to processor and whirr to cream. Add vanilla and flour

and walnuts. Pulse until mixture clumps. Butter 2 baking sheets. Form the dough into very small balls-the recipe makes about 40- and set them about 2" apart. Bake 20-30 minutes, just until pale brown. Sprinkle cookies with granulated sugar, while warm. With a spatula, remove to a wire rack, over a piece of wax paper or parchment. When they are completely cool, sieve the confectioners' sugar over all. These little cookies are terrific. Nice with a fruit salad or a simple ice cream, and very good with a cup of tea.

## Country's Young Music Men

Our young **Gawler Country Music Workshop** recruits **Michael** on bass guitar and brother ..... on drums are showing enthusiasm. Turning up each month and giving it a go shows they mean business..

Keep up the good work lads and we'll be seeing you on stage soon backing **Pop** when he's singing **on stage** at **Gawler Country Music Club**.

## Country Heroes

When it comes to dressing for the occasion one must admire the enthusiasm of **Des and Jack**.

They support their local artists travelling together to gigs around SA.

On the dance floor they do their bit to add sparkle to the day's event.

Good to talk to you guys. Loved your hat badges too.

See you again soon.
