Tina Heather Tanya Makayla Roz Veronica & Sizzlers Les and Geoff hiding.

Also a big thanks to Club President **Keith Warren** for coordinating the whole event. Well done to everyone involved.

The latest news is that a new Caterer has expressed an interest in providing their services. They have accepted a 3 month trial; so happy dining and we will be pleased to have your feedback. **See Menu on Page 2.**

Kristal and Dave

It's been some time since we've seen **Kristal Collins** on stage. However **Kristal** appeared with **The Sherrahs** at our last show, standing in for **Christine Sherrah** who was unavailable due to illness.

Kristal's voice has matured now and she had the dance floor bouncing with her punchy Country songs. Well done **Kristal**. It's great to see you back in action.

The hot news is that **Kristal and Dave** have set their wedding date for **23rd March 2013.**

A little sparrow tells me that the two accompanying young'n's in the picture might also be appearing on the big day as VIPs.

Best wishes to you both, and we hope you have a happy future together.

Country Music Working Together

Dave William's of **Alcheringa** is asking for **Gawler Country Music Club's** assistance to raise funds for a good cause. He is asking our club to raffle off prizes including a **Cort Acoustic Guitar valued at \$500** and a **cheque for \$100** for purchases from **Allington's Outpost.**

The idea is to encourage **Country Music Club Members** from all clubs to fill a busload of country fans to attend a fundraising event at **Alcheringa.**

All clubs are invited to participate and hopefully will work together to **create a great success story for Country Music in South Australia.**

Note ...We don't know who donated the Guitar? See next month's newsletter!

Just a Thought From Bill Northcott!

Two Adelaide policemen are in the patrol car; 'Would you check if my indicator lights work on your side of the car?' The other policeman looks out of the window. 'Yes, No, Yes, No, Yes No...'

Scary Statistics

25% of women in this country are on medication for mental illness. That's so scary.....! **It means 75% are running around with no medication at all!!**

Banking in Japan

Uncertainty has now hit Japan. In the last seven days, Origami bank has folded, Sumo Bank has gone belly up and Bonsai Bank has announced plans to cut some of its branches.

Yesterday, it was also announced that Karaoke Bank will go up for sale and will likely go for a song, while shares in Kamikaze Bank were suspended today after they nose-dived.

While Samurai Bank is soldiering on after sharp cutbacks, 500 staff at Karate Bank got the chop and analysts report that there is something fishy going on at Sushi Bank, where it is feared that staff may get a raw deal.
