

That Woz the Day That Woz!

29th April 2012

Eastside Country Music Shindig

Hi Folks

The combined show with the **Gawler Country Music Workshop** and the **Elizabeth RSL** held on the 29th of April at the **Elizabeth RSL** went extremely well. We thought we were looking down the barrel; with half an hour to go until the show started there were way too many empty seats, but they soon started to fill and relief to all those concerned.

We had one hundred patrons in the door and for a first time event we were very happy with the attendance. Sometimes the first event can be a bit of a gamble. The **RSL's kitchen staff** provided the catering and comments were all positive.

Denise and Jeff donated scones with jam and cream as well as nice homemade fruit cake, to be sold for afternoon tea which sold out. I would like to thank **Denise and Jeff** for their time and donations not only for that

event but for all their kind donations and time given to the **Country Music Workshop**. Thank you very much it is greatly appreciated.

Winchester was the band for the day; they played very well and kept the audience entertained with much movement on the dance floor.

We had three walk ups **Steve Tripodi, Chooka Williams** and **Raelz**. They also kept the dancers on the floor and were well received by the audience.

Why did the **Gawler Country Music Club Workshop** put on such an event?

Well it was to help raise funds to go towards the workshop buying its own PA system.

I have been providing my own gear at the workshop for the last six or so years, it was thought to be a good idea for the workshop to have its own.

The amount raised from the event was a modest sum.

I would like to thank the **Gawler Country Music Club** for their ongoing support of the **Gawler Country Music Workshop**.

Although the Workshop is under the **Gawler Country Music Club** banner it runs separate to the club with its own finances, and the **Gawler Country Music Club Open Mike** also runs in the same manner.

Last but not least I would like to thank **Brenton and Nannette Spry, Raelz and Carlene** for their help... so thank you all once again for helping to make a successful day.

Fred Payne

Eleven is a studio album by **Martina McBride**, released through the record label Republic Nashville on October 11, 2011.
