Hi Folks

## The Medical Assn Report

### Commenting on recent health care proposals.

The Allergists voted to scratch it, but the Dermatologists advised not to make any rash moves.

The Gastroenterologists had a sort of a gut feeling about it, but the Neurologists thought the Administration had a lot of nerve.

The Obstetricians felt they were all labouring under a misconception while the Ophthalmologists considered the idea short-sighted

Pathologists yelled, "Over my dead body!" while the Pediatricians said, "Oh, Grow up!"

The Psychiatrists thought the whole idea was madness, while the Radiologists could see right through it.

The Surgeons were fed up to the cuts and decided to wash their hands of the whole thing.

The ENT specialists didn't swallow it, and just wouldn't hear of it. The Pharmacologists thought it was a bitter pill to swallow, and the Plastic Surgeons said, "This puts a whole new face on the matter...."

The Podiatrists thought it was a step forward, but the Urologists were pissed off at the whole idea.

The Anesthetists thought the whole idea was a gas, but the Cardiologists didn't have the heart to say no.

In the end, the Proctologists won out, leaving the entire decision up to our a...hole politicians.

Here's hoping you stay...  
Healthy wealthy and wise!

## President's Report

May 2013

G'Day Members and Friends.

We are half way through this year and time is getting away from us. It will soon be.... Christmas!

What a great time at our May show. 'Fine Form' were great; with a large crowd we were in for a super time. Kimberley and Jodie's harmonies were excellent. Great music all day, topped up with everyone's favourite **Graeme Hugo**. We also had a very worthy Walk Up artist **Shane Johnson**.

Thanks guys. We all had a ball!

Unfortunately we are hearing some cheap gossip in regards to our club folding. These rumours are unfounded and are not true. **Unless you hear it from me, do not believe any rumours.**

We have some great shows booked for the balance of the year and I am starting to put next year's program together.

Well moving onto our June show. The **Hoffmans** will be entertaining us and we are all set for another tremendous day.

Don't forget we are running our **Talent Quest** again this year; entry forms are available by contacting me; or go to our website.

Until our next show.

**Keep It Country!**
