Editors Note

Hi Folks

Last month's interesting article written by **Max Ellis** on the **Story of Tamworth** continues.

When I contacted **Max** for his approval he said 'I'd be delighted to have the article included in Gawler Country Music Club's Newsletter.' So here we are folks.... continuing with 'The History of Tamworth'.... by **Max Ellis**. 'Thanks **Max!**'

....The modern story of **Country Music**, and **Tamworth** as **Country Music Capital**, began in the second half of the '60s.

At that time commercial radio was suffering as a result of the introduction of television (TV came to the bush later than the cities - in **Tamworth's** case, 10th April, 1965).

Radio's evening audiences dropped dramatically, but in **Tamworth** the local station, **2TM** fought back by airing 'Country & Western' music at night-time.

To everyone's amazement, the listener response to **2TM's** country music program was huge.

Over the next few years, 'Hoedown' (as it was known) hosted by legendary country music personality **John Minson**, began to attract listeners from throughout the nation and became the catalyst for the entire **Country Music Capital** promotion.

In the late 60s... **2TM** started running concerts.. the first to raise funds for **Nazareth House** and the **Kidney Appeal** with **Reg Lindsay**, and it was soon followed with shows featuring **Slim, Tex, Reg** and many others.

President's Report

February 2008

G'Day Members & Friends

Our February show was a great success with good attendance and a day of superb entertainment.

We were fortunate enough to be the first club in **Australia** to have **Talia Wittmann** appearing on stage since she was crowned **Toyota's 2008 Star Marker**.

Talia and Overdrive performed a repertoire covering a range of musical genres.

Our **Country** purists and lovers of **Country Rock** were provided with a wide assortment of songs and a mix of dance music to give the audience variety and alternatives.

'Good Luck **Talia** for the year ahead!'

Our walk up artists did a great job with **Ian List** paying tribute to **Smokey Dawson**.

Peter Tomlinson, Sugar & Spice and **Eliza Parker** provided an excellent contribution to our show. **Eliza's** badges are selling fast, so be sure to be first in the queue to purchase one next time she appears on stage.

For our **March** event we have a good band in the form of **Tumbling Dice** (Midnight Special) with guest **Graeme Clarke**.

Graeme has been around as a traveling man for many years singing his own **Country Songs**. So don't miss our **March** show.

See you then... and... **Bgood!**
