

That Woz the Day That Woz!

17th Feb 2008

Following a 'One Minutes Silence' as a mark of respect to **Smoky Dawson...** Gawler Country Music Club was entertained by **Talia Wittmann** the **Winner of the 2008 Tamworth Toyota Starmaker Comp.** This was **Talia's** first public appearance with her band **Overdrive** since her big win.

Presenting a show that appealed to our 'younger generation' of **Country Music** enthusiasts, the music and vocals were enjoyed by appreciative listeners and dancers.

He's been Everywhere

Renowned as one of **Australia's** most successful country comedy and variety entertainers, **Geoff Mack** has been named as a recipient in the **Australian Country Music Foundations' Roll Of Renown in Tamworth.**

Geoff Mack has worked in show business for over six decades but is best known for one thing and that's writing, 'I've Been Everywhere Man' for **Lucky Starr.**

Above: **Geoff Mack** with **John Nutting** of **Saturday Night Country.**

Geoff wrote the song in **1959** and it was recorded by **Lucky** in **1962.**

It became **one of Australia's biggest selling songs of all time** and recorded in by artists in many languages around the world.

There are versions by **Johnny Cash, Hank Snow** and Australian funny lady **Rita Schneider** who with **Geoff** changed the words to match the new title, "**I've Had Everything**". A parody that named countless diseases in the song rather than towns.

Geoff's performing career, together with his spectacular songwriting ability has made him one of **Australia's** most loved and respected entertainers.

Aunty Kay's Answer

Question on Page 3

Minimum is **two** weighings.

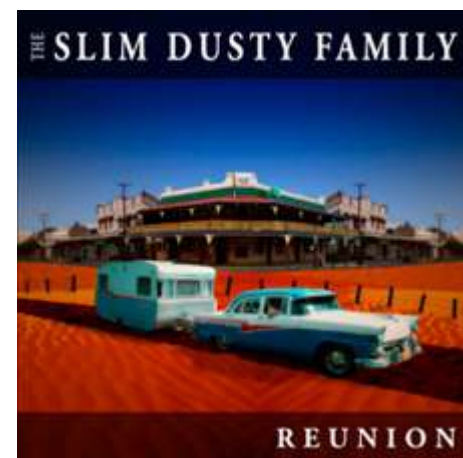

Weigh three coins against three coins.

If they balance, the lighter coin is the seventh one, not on the scales.

If they don't balance, take the lighter three coins, and weigh one against one.

Again, if they balance, the lighter coin is the one off the scale; otherwise, it is the coin on the lighter side.

Slim Dusty Family... Reunion

Looking for the latest release in Aussie Country Music?

The **Slim Dusty Family REUNION** album is available now ... released **March 1st, 2008**

In the years following the passing of **Slim Dusty** the timing is now appropriate for **Slim's family** to pay the ultimate posthumous tribute to the man who meant and still means so much to them.

Joy McKean, David Kirkpatrick, Anne Kirkpatrick and their children, James and Kate (Anne) and Hannah and Daniel (David), decided to use their own words – with additions by **Paul Kelly, Eric Bogle and Peter Denahy** to express and chronicle their feelings about **Slim**, and celebrate the **life, times and music** of the most well-known and respected **Aussie Country Music performer.**

Like all the best **reunions**, there's laughter, there's tears, there's longing and there's love.
