Hi Folks

Well I'm Back! Arnold Schwarzenegger style... but minus the muscles.

After some twisting of arms I have yet again taken on the responsibility of **Gawler Country Music Club Newsletter /Web Editor.**

I'll do my best to keep our newsletter interesting, and I also look forward to receiving your support.

See you soon!

Les Parris

Returning Newsletter/Web Editor

"Welcome" to our new Club Members.

Please remember, our annual club membership renewals are due in April...

"Thank you" to Les Parris on deciding to take over the running of the Club Newsletter/Website again. It takes a lot of hours to produce a Newsletter as Keith and I found out.

I am asking all Club Members who visit Country Music Shows and events or festivals to send in "Stories" of your experience; to share them with people who are unable to attend these places. Even a Country Artist that you met and liked.

If you can't email your stories to Les or Keith, please post or hand them to me (Helen) and I will pass them onto Les.

All your help will be appreciated.....

Our thoughts go out to the people at Christchurch, New Zealand, Earth-quake. Another Tragical loss of life.

Your Secretary, *Helen*

President's Report

February 2011

G'Day Members and Friends,

Well we have started 2011 off very well. Our second show for the year was another good day of country music. **The Blackhats** were great, they played some old songs and some not so old songs. Great work guys.

Our guest artist was the current SA champion of champs **Angels Eason** who also did a great job.

We had one walk up in **Ian List** who always picks a good variety of ballads to perform.

I would like to thank **Les** for his return to the newsletter's desk. I produced the January & February edition's, and almost pulled out the last little bit of hair I have left through frustration of trying to get everything right.

Thanks Les, welcome back.

Well onto our **March** show, we have the **City Cowboys** with special guest **Amber Joy Poulton**. This will also be a great show; be early so that you don't miss out.

Until Next month.

Many Happy Camp Fires to All

Keep it country

Country Music is...

Like a circle in a spiral
Like a wheel within a wheel
Never ending or beginning
On an ever-spinning reel
As the images unwind
Like the circles that you find
In the windmills of your mind.
