Gonna be a Bear

In this life I'm a woman.

In my next life, I'd like to come back as a bear.

When you're a bear, you get to hibernate. You do nothing but sleep for six months. I could deal with that.

Before you hibernate, you're supposed to eat yourself stupid. I could deal with that too.

When your a girl bear, you birth your children (who are the size of walnuts) while your sleeping and wake up to partially grown, cute, cuddly cubs. I could definitely deal with that.

If you're a mama bear, everyone knows you mean business. You swat away anyone who bothers your cubs. If your cubs get out of line, you swat them too. I could deal with that.

If you're a bear, your mate EXPECTS you to wake up growling. He EXPECTS that you will have hairy legs and excess body fat.

Just a Thought From Bill Northcott!

Munno Para Boy Sees Into the Future

A young Munno Para lad recently went to his local ice cream van. Hello mister! Can I have an ice cream please? Of course you can young man- what would you like?

I dunno!

Well, you can have: vanilla, hard or whippy, strawberry, raspberry, mint choc chip, tutti frutti, rum and raisin, chocolate, butterscotch, Neapolitan or chocolate brownie.

You can have a cone, wafers, or a sundae.

You can have lime sauce, raspberry sauce, strawberry or chocolate sauce, nuts, crushed chocolate, a flake, hundreds and thousands or just plain.

So, what'll it be?

Anything easy for you mister... I'll probably drop it anyway...

Kenny in Adelaide

It's one thing to meet your musical idol; it's another to perform alongside him.

Singer Rohan Powell and his band, Acoustic Juice, did just that recently, opening for country music legend Kenny Rogers (with Rohan) in Adelaide.

He says the experience "more than" lived up to expectations.

"They say the bigger the star, the nicer they are. This was definitely the case here," Rohan says. "It was very exciting ... as someone who grew up with his music.

"I found him to be a wonderfully generous and funny man ... he was very appreciative of our help."

Dot's Spot!

Chocolate is derived from cocoa beans.

Bean = vegetable. Sugar is derived from either sugar CANE or sugar BEETS. Both are a plant, which places them in the vegetable category. Thus, chocolate is a vegetable.

The problem: How to get 2 pounds of chocolate home from the store in a hot car. The solution: Eat it in the car park.

Diet tip: Eat a chocolate bar before each meal. It'll take the edge off your appetite, and you'll eat less.

Put "eat chocolate" at the top of your list of things to do today. That way, at least you'll get one thing done.
