Taylor Swift

Who better than Taylor Swift to inspire our young Country Artists and Performers to work towards perfecting their skills and talents.

Taylor Swift's world tour 'Speak Now' is now heading to South Australia.

In response to public demand Taylor has announced she will extend her tour into 2012 and include Australia's capital cities.

The four-time GRAMMY winner's SPEAK NOW performance is a **two-hour theatrical presentation**, reminiscent of a **Broadway** experience.

The show features elaborate costumes, dancers, airborne artists, changing sets, innovative choreography and instrumentation all showcased on a multi-level stage.

Taylor plays five different guitars in the show, plus two banjos, the ukulele and the piano, and changes costumes nine times over the course of the evening.

During the concert she moves right around the venue, using different stages, thereby giving every audience member a great seat. The tour has earned high praise from top critics around the world:

"One of the genre's most ambitious acts, has created one of the genre's most ambitious tours. Broadway-inspired... the two-hour production is an overwhelming experience." – Quote Billboard.

Taylor's album **Speak Now** is the #1-selling album in all genres of music over the past twelve months.

'G'day I'm Taylor.

I've been alive for 22 years now. I learned to play guitar when I was twelve from this guy named Ronnie who came over to fix my parents' computer. I LOVE Nashville. That's where I live, when I'm lucky enough to be there. I love the town so much, I sometimes feel like I should just roll the windows down in my car and scream "I LOVE THIS TOWN!"

Every time I try and wink at someone, I mess it up and end up scaring people. I'm a Sagittarius. I think that means I'm always looking for something new. I love bright colors and things that make reality seem more whimsical than it is.

I love old buildings with the paint chipping off the walls... I just think every once in a while you need fries and a chocolate milkshake and your **Mom**.

I love picking up a cookbook and that's where **Ma's Kitchen** comes in... See page 5...

Hi Mom!

Do you know any other 'Country Girls' named Taylor?
