A Good Read

Hi Folks

Reminiscent of Homer and Milton, because of my limited eyesight, although I write the **Gawler Country Music Club** newsletter, I tend not to do much casual reading.

However, there are exceptions. I continuously read about music in one form or another, and if I find an article which is really interesting, I'll steal the time to absorb the message contained within the writing.

I have taken the unusual opportunity of sharing with you, a story sent to me in a friend's email. I found it so emotional that I thought I'd share it with you.

Please take the time and go to the centre pages for a truly emotional read.

The Sandpiper by Robert Peterson.

Sorry if I take advantage of this space, but I'll briefly let you know that the band **Kindred Spirit** has recently recruited singer songwriter **Deidre Reed** into their band.

She has a wonderful voice and I'm sure you will like the band's new sound.

A great opportunity for up and coming artists to gain knowledge, experience, networking skills and much more is detailed on **Page 5. Apply Now!**

President's Report

February 2012

G'Day Members & Friends

What a great day! **Mustang Country** was very good for their first club show.

With a larger than expected crowd to play to, our Interstate guest artist's were excellent.

Firstly we had **Campfire Country David and Theresa Higinson** from Western Australia. They will be coming back next year to play for us again. Then there was our Victorian guest **Des Morgan** a crowd favourite. You could have heard a pin drop when he was on stage.

Great day guys everyone enjoyed it.

We are hearing lots of rumor about what is going to happen to the Bowling Club premises, but no one is officially talking to us.

I will be looking into our position as to where we stand and hopefully get some sort of answer. Our members need to know.

Well onto our March show. We have the **City Cowboys**, I have not booked any guest artist's for this month so we can get back to accepting some **Walk-up Artists** to perform.

So come and see me before 12 o'clock if you want to do a walk-up spot.

Until then. Keep 'N' It Country
Regards to all

Keith Warren
