The Alcheringa Show on Saturday 11th of February for the **South Australian Royal Flying Doctor Service** was organised by **David Williams**.

Dave puts a lot of time and work into his events with Top Artist's for you to enjoy. His venue is all under cover, good food, with drinks (No Alcohol) and Ice creams. His **Museum** contains interesting Country Music relics and items of historical interest.

I organized a Coach trip to take 48 people to see the **Dave's February show**, but only 16 of our 300+ Members expressed an interest; I had to cancel the Coach, as it was uneconomical to run the bus with so few passengers. We couldn't fill a 25 seater bus either.

Keith and I attended the **Alcheringa Show** and some of our club members also took their own cars. It was good to see you there...

The show went well with good entertainment, including **Taylor Pfeiffer** with banjo. We would like to thank **David Williams and his Friends** for doing a good job.

Just a Thought From Bill Northcott!

An old, blind cowboy wanders into an all-girl biker bar by mistake. He finds his way to a bar stool and orders some coffee. After sitting there for a while, he yells to the waiter, 'Hey, you wanna hear a blonde joke?'

The bar immediately falls absolutely silent. In a very deep, husky voice, the woman next to him says, 'Before you tell that joke, Cowboy, I think it is only fair, given that you are blind, that you should know five things:

1. The bartender is a blonde girl with a baseball bat.
2. The bouncer is a blonde girl.
3. I'm a 6-foot tall, 175-pound blonde woman with a black belt in karate.
4. The woman sitting next to me is blonde and a professional weightlifter.
5. The lady to your right is blonde and a professional wrestler.

Now cowboy, do you still wanna tell that joke?'

The blind cowboy thinks for a second, shakes his head, and mutters, 'No...not if I'm gonna have to explain it five times.'

Slim and Joy

It wasn't the best kept secret, but a campaign to raise enough money for a life size statue of **Slim Dusty and Joy McKean** was launched by Country Music Capital Mayor Col Murray at the Tamworth Country Music Festival opening concert.

Contributions of \$50,000 from Tamworth Regional Council and a \$10,000 donation from the NSW government have kickstarted the appeal

CMC Advice Column

"**Dear CMC Advisory Team.....** Last week I left for work as normal but having only gone a mile my car broke down so I had to walk home again and arriving unexpectedly I found my 16 year old sitter handcuffed to the bed in her school uniform with my husband bent over her.

Obviously I'm devastated. Please can you help?"

"**Dear Mrs U....** A common cause for this is dirt in your carburettor. Don't let your fuel drop so low in the tank - hope this helps ... **Jim (UrCMC)**
