

## 'Bushy Furry F\_\_\_s'

Since forming in 1994 the Wolverines have introduced audiences all around Australia & NZ to their unique blend of tongue-in-cheek humour, hard-hitting, rock-your-sox-off **Wolverines Music** as well as the gentle art of having a fantastic time!

These "likeable rogues" are seasoned performers who have combined to produce an act that is uniquely visual, extremely musical and totally entertaining.

**Tamworth 2008** saw the release of the **Wolves' 6th CD "Occasional Course Language"** - their first Party album.... Strange really, because from day one, way back in 1994, this is what people have been asking for... Some of the songs are possibly not entirely politically correct; there is some occasional course language; there are some sexual references; but there is no violence!!! This is one for **Gawler Country Music Club Party Animals**....

The Wolverines achievements include:

**ARIA Gold Record: "65 Roses"**  
**ACMLA Peoples' Choice Award: Best Group x2, Best Album & Best Song**  
**CMAA Gold Guitar: Best Vocal Group**  
**Australian Entertainment 'MO' Awards: Best Country Group x3**

## HILLBILLY DAYVORCE

An Aussie hillbilly farmer who wanted to get a divorce paid a visit to a lawyer in Adelaide.

The lawyer said, "How can I help you?"  
 The farmer said, "I want to get one of them dayvorces."  
 The lawyer said, "Do you have any grounds?"  
 The farmer said, "Yes, I got 40 acres"  
 The lawyer said, "No, No, you don't understand, Do you have a suit?"  
 The farmer said, "Yes, I got a suit, I wears it to church on Sundays."  
 The lawyer said, "No, no, I mean, do you have a case?"  
 The farmer said, "No, I ain't got a Case, but I got a John Deere."  
 The lawyer said, "No, I mean, do you have a grudge?"  
 The farmer said, "Yes, I got a grudge, that's where I parks the John Deere"  
 The lawyer said, "Does your wife beat you up or something?"  
 The farmer said, "No, we both get up at 4:30a.m."

By now the SA lawyer is getting frustrated but tries one last question

The lawyer said, "Is your wife a nagger?"  
 The farmer said, "No, she's a little white gal, but our last child was a nagger and that's why I wants a dayvorce."

A good neighbour is someone who continues to chat over the fence even though they know they are missing their favorite television show.

## Amazingly 'Simple' Home Remedies...By Kay Unohoo

1. If you're choking on an ice cube simply pour a cup of boiling water down your throat. Presto! The blockage will instantly remove itself.
2. Avoid cutting yourself when slicing vegetables by getting someone else to hold while you chop.
3. Be very understanding if instead of leaving the toilet seat up, your man uses the sink.
4. For high blood pressure sufferers: simply cut yourself and bleed for a few minutes, thus reducing the pressure in your veins. Remember to use a timer.
5. A mouse trap, placed on top of your alarm clock, will prevent you from rolling over and going back to sleep after you hit the snooze button.
6. If you have a bad cough, take a large dose of laxatives, then you'll be afraid to cough.
7. And **George** advises you only need two tools in life - WD-40 and Duct Tape. If it doesn't move and should, use the WD-40. If it shouldn't move and it does, use the Duct Tape.

Remember: Everyone seems normal until you get to know them.
