

That Woz the Day That Woz!

26th April 2008

It was a **Full House** with **Graeme Hugo** and **Bernie and the Bandits**. Thanks for a great show.

The hall was full to the rafters and in the end we had to put the **Full House** sign out. We are sorry for those that were not able to get in. The day got off to a great start with **Bernie and the Bandits** singing songs which everyone knew, and the dance floor was full right from the first song and stayed that way all day. **Graham Hugo** took to the stage and didn't fail to deliver with his wonderful vocals and was well backed by **Bernie and his band**.

Our Multicultural Country!

Joe Smith from our **Gawler Country Music Club** started the day early having set his alarm clock (**MADE IN JAPAN**) for 6am.

While his coffeepot (**MADE IN CHINA**) was percolating, he shaved with his electric razor (**MADE IN HONG KONG**).

He put on a dress shirt (**MADE IN SRI LANKA**), designer jeans (**MADE IN SINGAPORE**) and tennis shoes (**MADE IN KOREA**).

After cooking his breakfast in his new electric skillet (**MADE IN INDIA**) he sat down with his calculator (**MADE IN MEXICO**) to see how much he could spend today.

After setting his watch (**MADE IN TAIWAN**) to the radio (**MADE IN INDIA**) he got into his car

(**MADE IN GERMANY**) filled it with **GAS** (from **SAUDI ARABIA**) and continued his search for a good paying local job.

At the end of yet another discouraging and fruitless day checking his Computer (Made In Malaysia), Joe decided to relax for a while.

He put on his sandals (**MADE IN BRAZIL**) poured himself a glass of wine (**MADE IN FRANCE**) and turned on his TV (**MADE IN INDONESIA**), and then wondered why he can't find a good paying job in **South Australia**.

At least we still have.... **Australian Country Music!**
