

That Woz the Day That Woz!

18th April 2010

The **Blackhats** opened with a few instrumentals with good work from the guys.

Dave Verrall introduced the vocals before **Tiffney Stroh** appeared on stage. The dance floor was busy all day.

It's been a while since she last appeared at our club but **Tiffney's** voice is as good as ever. The band is a good combination to showcase Tiffs talents.

Leave him In The Longyard left a lump in many a throat.

There Goes My Heart had the line dancers out in full force. The edges of the dance floor were experiencing waves as if sweeping onto the sea shore. Not a shark was to be seen!(Corny Joke...)

Walk Up Artist John Hurste appeared on stage... It was **John's** first appearance on stage at GCMC.

As he gains experience I have a feeling he will become a good entertainer. I hope he drops the 'This is My Life' routine.

Red River Valley was a winner with the crowd.

Roger Howard did a great job playing with the band. Showing confidence and attracting dancers onto the dance floor. Well done Roger!

When **Coming Round the Mountain** was used for the **Monte Carlo** the dance floor was bursting at the seams!

A great job everyone! Well done!

Before you read this column.... I make no apologies for repeating myself... In most **Community Based Organisations** there are people behind the scenes who contribute, yet rarely receive a thanks or recognition.

Our **Sizzlers** are doing a great job! Thanks to you all for putting in your time and effort into raising funds for **Gawler Country Music Club Inc.** and thanks to everyone for your donations and assistance.

You each make it possible to provide entertainment, friendship and happy days for our Country Music Club Members and for the Local Community.

You also provide benefits to the promotion of **Country Music here in South Australia.**

To keep everything in perspective ...**The Gawler Country Music Club Committee** wish to make everyone aware that without a trailer and BBQ our **Sausage Sizzle** fundraisers would not take place.

So we say a big **Thank you!** to **Steel Plus** who kindly provide us with a super dooper top of the range mobile BBQ trailer.

"For over 100 years, we have manufactured more than high-quality, custom-designed transport equipment. We have also built the reputation of being an industry leader.

Our premium service provides you with proven design and quality craftsmanship in the manufacture of water tankers, tipper bodies and trailers for customers in local government, mining, fire authorities and private contracting companies.

They keep coming back to AJ Stock because of our quality craftsmanship and second-to-none service."
