The Sunny Cowgirls

The Sunny Cowgirls Sophie and Celeste are walking on air having risen to great heights in the world of **Australian Country Music.**

They were first discovered by 'Dancing with the Stars' winner **Adam Brand** at the **Country Music Association of Australia's** highly respected **College of Country Music**. Since then the accomplished singer songwriting duo has continued to take the **Country Music** by storm.

Aussie Sophie said "The songs we write come from a very real place – they're always inspired by where we've been and the people we've met."

Aussie Celeste said.. "Our album, **Summer**, is a happy, fun album full of good times and good feelings. We love our lives and we love this country, and that's what we've tried to capture in our songs. "Summer" captures life in the Australian bush in an authentic and contemporary way."

The girls' unruly spirit comes to the fore with songs like "**Naughty Side**" and party songs "**Get On It**" and "**Bags Not Driving**".

While the **Sunny Cowgirls** are loved for their irresistible smiles and songs of mischief; the maturity of their songs is continually growing.

'**Summer**' is the fourth album for **The Sunny Cowgirls**, and has well and truly been welcomed by their huge fan base.

"We know how lucky we are, and our music is a celebration of Australia and the amazing way of life we have."

The Sunny Cowgirls Sophie and Celeste are no doubt one of the most intriguing and true to themselves acts in **Australia**. Modest yet cheeky, they are at ease amongst their idols, peers and their fans with a no bull attitude that has only enhanced their popularity.

If you would like to see **Sophie and Celeste** visit our neck of the woods... please send an email to the **Newsletter Editor**. I know he would be pleased to hear from you.
