Hi Folks

I'm thinking I must be caught up in a time-warp, or maybe the moon is having a strange effect on me.

I am way behind in putting this month's newsletter together.

I shouldn't be, because Club President **Keith** has provided me with his report much earlier than usual; **Fred** has submitted his Music Workshop Article along with **Raelz** and **James's**; **Leoni** as always is way ahead of everyone else and **Tina** with the assistance of **Judy** and **Maureen** have been busy in **Ma's Kitchen**... Maybe I am getting too old.

It really was a pleasure to have a good audience at our recent show with **Norma O'Hara Murphy** singing her own songs.

**Norma** certainly is an interesting down to earth character. You probably realised that by some of her jokes. Did you hear the silence?

**Norma's** songs are based on her own life experiences, and if not, she takes time out to visit local libraries, researching the local history of country towns, with a particular interest in local characters.

The songs written by **Norma** and recorded by **Slim Dusty** are evidence that she sure is a **Special Lady**...

Maybe someone could write a song about **Norma**!

Our club has many well known Country artists lined up for future events. I/We will try to keep you well informed on what's happening... and as usual...

I'd love to hear from you!

## President's Report

April 2011

G'Day Members and Friends,

Well another show bites the dust, and what a great show it was. **Kindred Spirit** were at their best with a great list of songs that kept the dance floor busy all day. Great work guys.

Then it was time to welcome our guest artist **Norma O'Hara Murphy**. I have heard **Norma's** music only over recent months. What a lovely lady, a down to earth and genuine person. Her songs are so enjoyable to listen to. **Norma** may be coming back this way next year doing a full-on tour. We may be lucky enough to have her back again.

Moving on... we have some great entertainment coming up over the next few months.

The **Cruisers** Cabaret Nite is on **Saturday 18th June**. Tickets are \$10. **Wild Card** appears on **Sunday 19th June** for our regular monthly **Club Show**.

Then on the **9th July** we have **Amber Joy & Sandra Humphries** doing a tribute to **Tammy Wynette and Loretta Lyn**.

Well onto our May show, we have **Bernie & the Bandits** with special guest **Chooka Williams**. This will also be another great show. Doors open 10.30am. So we will see you then.

Keep it country
